

# Your guide to opening a Kids Saver

## A Kids Saver is a savings account for children 14 years of age and under.

The account may be closed or further transactions refused if the account is not being operated for the private use and benefit of the child. If the funds are not for the sole use of the child, Australian Unity will require an account to be opened in the name of the guardian in trust for the child.

### Forms required for opening a Kids Saver

To open a Kids Saver with Australian Unity, please complete this form.

It is also a requirement that a parent/guardian must be signatory to the account. This can be achieved by completing an Authority to Operate form.

Upon the child turning 15 years of age, the account will be transferred to a Healthy Banking Everyday Transaction account and a letter will be sent requesting the child becomes the signatory to the account.

### Identification

Under the Anti-Money Laundering and Counter Terrorism Financing Act 2006, we require specific identification documents to open the account. If original identification documents are not presented then all copies must be original certified copies\*.

A parent/guardian that is not an existing customer will be required to provide identification documents along with identification for the child when opening an account.

The address of the parent/guardian who is signatory to the Kids Saver must be used for the child's address details. This can be verified using any authorised form of address verification, such as a drivers licence or utility bill.

The child may be identified using at least one of the following methods:

Original certified copy of:

- The child's Birth Certificate
- Current signed Student photo ID card
- Citizenship Certificate
- Notice from the School Principal within the last three months that contains the full name of the child and their residential address and records the period of time the child has attended the school
- Current Passport.

### Step 1.4 Tax status

Tax Residency rules differ by country. Whether you are a tax resident of a particular country is often (but not always) based on the amount of time you spend in a country, the location of your residence or place of work. For the US, tax residency can be as a result of citizenship or residency.

If you have any questions on how to define your tax residency status, please visit the OECD website ([oecd.org](http://oecd.org)) or speak to a professional tax adviser as we are not allowed to give tax advice.

Answer **both** tax residency questions:

Are you a tax resident of Australia?  Yes  No

Are you a tax resident of another Country?  Yes  No

If you are a tax resident of a country other than Australia, provide your Tax Identification Number (TIN) or equivalent below. If you are a tax resident of more than one country, list all relevant countries below.

1	Country	<input type="text"/>	TIN	<input type="text"/>	If no TIN, list reason A, B, or C	<input type="text"/>
2	Country	<input type="text"/>	TIN	<input type="text"/>	If no TIN, list reason A, B, or C	<input type="text"/>
3	Country	<input type="text"/>	TIN	<input type="text"/>	If no TIN, list reason A, B, or C	<input type="text"/>

**Reason A** The country of tax residency does not issue TINs to tax residents

**Reason B** You have not been issued with a TIN.

Please explain why.

**Reason C** The country of tax residency does not require the TIN to be disclosed

If you are a tax resident of more countries, please cross this box  re-print this page and provide the additional details.

### Step 1.5 Declaration and signature

By completing and signing this declaration I certify that:

- The information I have provided is true and correct.
- I have provided my tax residency status, including all countries which I am a tax resident and the respective TIN.
- I will inform you within 30 days of any change in circumstances which affect my tax residency status.
- I consent to the collection, use, storage and disclosure of my personal information in this form. Any personal information collected for the purposes of the Foreign Account Tax Compliance Act (FATCA) and the OECD Common Reporting Standard (CRS) will be:
