## Health cover with us

### The Member

You become a health insurance fund Member once your application form is accepted by the fund. You must complete a true and proper disclosure on your application form yourself and other people covered under your membership, which is held in your name.

We may ask you to supply evidence to support any information provided on your application form, such as identity or age.

Except in circumstances of separation or divorce involving a dependant, you are not eligible for a membership with Australian Unity if you are insured under a hospital cover with another private health insurer.

Unless otherwise agreed by Australian Unity, you must be 16 years or older to hold a membership in your own right.

Membership for a person under the age of 16 requires a legal guardian to agree to the terms and conditions of the membership on behalf of the dependant.

### Membership types

- A single membership covers one person (the Member) only
- A couple's membership covers the Member and one other adult being their spouse or de facto partner
- A single parent family membership covers the Member and one or more eligible children
- A family membership covers the Member and their spouse or de facto partner and eligible children

### Children

A child in respect of a membership means a natural child, legally adopted child, stepchild, a foster child of the Member or their partner/spouse. A child can be added into a membership if they are not married or living in a de facto relationship as:

- Child Dependants up to the age of 22 years (inclusive), or
- Student Dependant between the age of 23 (inclusive) and 30 (inclusive), if they are studying fulltime, or
- Non-Student Dependant between the age of 23 (inclusive) and 30 (inclusive), if they are not studying fulltime

### Health cover for non-residents

Australian Unity hospital cover is suitable for people with full Medicare entitlements. If you are an overseas visitor with no Medicare entitlements or limited reciprocal benefits, please refer to our Overseas Visitor Health Covers for more options.

### Waiting periods

A waiting period is a set period of time where you can't claim benefits for certain treatments. It starts on the date you join or when you upgrade your level of cover (including reducing your hospital excess). Refer to your product Fact Sheet for details on waiting periods that apply to your chosen level of cover.

If you upgrade your cover and increase your level of benefits for a particular service, you can claim the higher benefits, except where a waiting period applies. In that case, the benefit we will pay is equivalent to your previous cover until the waiting period on your new level of cover has been served. Refer to the 'Waiting periods' section of the Member Guide for the list of waiting periods that may apply.

Where benefits are payable for a hospital treatment service (even if you have upgraded and are still serving a waiting period to access higher benefits), and your cover includes Gap Cover at the time you receive the service, no waiting periods apply before you may access Gap Cover. See the 'Gap cover' section of the Member Guide for further information and conditions that may apply.

### Transferring memberships

If you are transferring from another Australian private health insurance fund or transferring between Australian Unity memberships, you need to start your new health cover with us within 30 days of cancelling your old membership to ensure continuity of cover.

- **For members who transfer from another Australian private health insurance fund**, your Australian Unity membership will commence from the day you contact us and purchase your policy or a later day.
- **For members who are transferring from another Australian Unity Membership**, you must contact us within:
  - 30 days from the day you ceased to be covered (if you were a Partner/Spouse or Policy holder on the previous membership) or
  - 3 months from the day you ceased to be covered (if you were a Dependant on the previous membership)

Your new membership must commence within 30 days from the day after your ceased to be covered under your previous membership and you will be required to backpay any premiums owed.

You won't have coverage for services received on the days when you had no coverage between the two memberships. A gap in cover greater than 30 days means that you will have to re-serve all waiting periods.

When you join a new membership, regardless of the gap between your old and new membership, we will calculate the extras claims you have already made in the relevant calendar year as these will be deducted against the yearly benefit limits for equivalent services, until they reset on 1 January. Where relevant, lifetime limits will also be deducted. Days without hospital cover may be considered absent days for Lifetime Health Cover purposes, and you may also be liable for the Medicare Levy Surcharge.

If you are transferring from another fund, we'll request a Transfer Certificate from your previous fund. This lets us know what waiting periods you have already served on your previous cover. If your benefits with us are greater than the benefits payable by your previous fund, you may have to serve waiting periods for the additional benefits.

**Please note:** Accrued entitlements and loyalty bonuses are not transferable between funds.

### **Pre-existing Conditions for hospital covers only**

A pre-existing condition is an ailment, illness or condition where, in the opinion of a medical practitioner appointed by Australian Unity (not your own doctor), the signs or symptoms of that ailment, illness or condition existed at any time in the period of six months ending on the day on which you joined Australian Unity or upgraded your cover, irrespective of whether you were aware of it. If you make a hospital claim in the first 12 months of your joining or upgrading your cover, we will ask you to get your consulting doctors or other practitioner (e.g. your dentist, GP or specialist) to complete a medical report.

You should ask us to carry out this assessment before going into hospital.

A general two month waiting period applies to all our hospital covers (unless treatment is required as the result of an Accident sustained after joining or upgrading cover; see the 'Waiting periods' section of the Member Guide for details). In addition, if you have a Pre-existing Condition, a 12 month waiting period will apply. The 12 month waiting period for Pre-existing conditions runs concurrently with the two month general waiting period, and does not apply to hospital treatments for psychiatric, rehabilitation and palliative care which only have a waiting period of two months.

Where you have only held your current cover for less than 12 months, contact us to discuss if the Pre-existing Condition waiting period applies to you prior to booking your hospital procedure.

We need up to five working days to carry out the pre-existing assessment, after receiving information about any signs or symptoms related to your condition detailed on a completed Medical Report from your first consulting medical practitioner.

## Managing your membership

### Changing your cover

You can change your level of cover at any time either over the phone or by filling out a 'Change of Membership Details' form which can be downloaded from [australianunity.com.au/downloads](http://australianunity.com.au/downloads)

In most cases, changes or updates to your cover or the membership, or where there is a change in circumstance can alter the premium you pay. For example, your premiums may be affected if you:

- change your level of cover
- change your excess or co-payment level
- change your State of residence
- add or remove dependants, which results in a change from single to family cover or vice versa
- experience a change to your Lifetime Health Cover loading status (for example, if we receive a Transfer Certificate from your previous health fund, or you reach 10 years of continuous hospital cover)
- update your level of rebate and/or rebate tier

If you upgrade your cover by increasing your level of hospital or extras benefits or reducing/removing your excess or co-payments, you may have to serve new waiting periods for services you weren't previously covered for or where your new cover offers a higher level of benefits.

We recommend you familiarise yourself with your new chosen cover for any changes and entitlements. If you change your mind a cooling-off period of up to 30 days applies to changes in your level of cover. Refer to the 'Additional Information' section for further details on the cooling-off period.

### Planning a family

Contact us if you are planning for a baby. We can check your level of hospital cover to see if it includes benefits for pregnancy and related services. This is important because there is a 12 month waiting period applied to these services.

### Adding a child to your cover

#### Family, Single Parent Family or Couple membership as at the birth or adoption/fostering date

It is important that you notify us within 12 months of your child's birth or adoption/fostering date and add them to your policy effective from their date of birth or adoption/fostering, for waiting periods to be waived. Please note that Couple memberships will also need to change to a Family membership and back pay any difference in premium (if applicable).

### Single membership as at the birth or adoption/fostering date

To avoid your child serving waiting periods, it is important that within 30 days of the birth or adoption/fostering date you:

- Upgrade to a Family or Single Parent Family cover; and
- Add your child to the policy. You may also be able to add your Partner to your membership effective your child's date of birth, or adoption/fostering date.

These changes will be made effective from the child's date of birth or adoption/fostering and you will be required to back pay any difference in premium.

### Adding or removing members from you membership

If you wish to add or remove a spouse or a dependant from your membership, it's important to advise us as soon as possible as we may not be able to backdate the request.

If your spouse or dependant were removed from your membership and you later wish to add them back on, to ensure they will not have to re-serve waiting periods, you must contact us within 30 days (for your Partner/Spouse) or 3 months (for your Dependant) from the day they ceased to be covered. Unless otherwise prescribed by the Private Health Insurance Legislation, they will need to be added from the day following they ceased to be covered and if this changes the scale of your membership, you will be required to backpay any premiums owed. Alternatively, they can be added from the day you contact us to request reinstatement or a future date, and waiting periods may need to be served.

### Separation/divorce

It's possible to remain on the same membership following a separation or divorce. Please keep in mind that any claim payments will be paid into the account listed under the membership, regardless of who paid for the treatment. If any disputes arise we will keep the agreement with the named Member (the 'policyholder') who holds authority over the membership.

Unless advised otherwise, the spouse named on the membership will have automatic delegated authority. You can opt out by contacting us on 13 29 39 (see Delegated Authority below).

### Delegated Authority

If you have a partner or spouse covered by your policy they have automatic delegated authority.

This means they have the same authorisation as the Member (including access to personal information about all members on the policy), except they won't be able to cancel the policy, change the Member, remove the Member from the policy or nominate or remove delegated authorities.

If you have a partner or spouse on your policy and don't want them to have delegated authority you can opt out by contacting us on 13 29 39.

You also have the option to authorise any other person to have delegated authority on your policy by completing a Delegated Authority form or calling us.

## Premiums

Unless otherwise offered or agreed by Australian Unity, your premiums are payable monthly, or in monthly multiples, in advance. You can lock-in your premiums for up to 12 months in advance from the date the payment is made; however, if you make a payment that exceeds this period, we may not accept the payment.

## Notice of premium and benefit changes

Australian Unity's rate guarantee policy ensures that your premiums paid in advance are protected against a premium change, which usually occurs on 1 April, until the next payment due date, unless you make changes to your cover in the interim. Australian Unity can change your benefits (i.e. adding or reducing benefits) at any time in accordance with the Changes to your cover section of these Terms and Conditions. The level of rebate applied to your premium changes annually in line with the Australian Government's adjustments to the rebate tier percentages, which occur on 1 April each year.

Notice will be provided in writing to you of any premium or benefit change by either the post, or email address as notified to Australian Unity. Please ensure that your address and other contact details are kept up to date.

## Making claims

The benefits, yearly limits and excesses on your hospital and extras cover are calculated from 1 January each calendar year except when a Benefit Replacement Period or lifetime limit applies. The conditions and benefits payable for your claims apply based on the date the service was received. When faxing, emailing or submitting a claim online, you should retain your original receipts for at least two years.

We will only pay on claims you have made for products and services purchased within Australia and benefits are limited to the insured rate or the actual amount charged, whichever is less. If your membership falls into arrears or is suspended, we will not pay your claims during that period, unless your claim has a date of service prior to suspension or falling into arrears. Remember to send your claims to us promptly as we will not pay on any claims submitted more than two years after the date of service.

## Compensation

Australian Unity benefits are not payable for claims where you have received compensation, damages or benefits from another source or we reasonably believe you have an entitlement under a statutory compensation scheme, now or at a later date, so it is in your interest to pursue that entitlement. Where it becomes known that you have, or may have a right to compensation, you are obliged to:

- inform us as soon as you know or suspect that such a right exists; and your decision to claim (or not to claim) compensation
- inform us of your decision to claim compensation, and
- keep us updated as to the progress of your claim; and
- let us know as soon as practicable the determination of settlement of the claim or the establishment of a right to receive compensation

Where we have paid on related claims and you have received compensation from another source, you will be required to reimburse us to the extent that the compensation received includes amounts reasonably attributable to the related claim. If you notify us that you will not be making a claim for compensation, then we may assume your legal rights in respect of all or any parts of the claim. Please contact our Customer Service team for advice concerning compensation claims.

## Claim quality reviews

Australian Unity is committed to keeping fund premiums to a minimum, and one way of doing this is to ensure that claims for treatment or services raised by healthcare providers are charged, and the benefits paid, are accurate and correct. Australian Unity may undertake audits of hospital or extras claims and may contact either you or your provider to assist. By submitting a claim, you provide consent for Australian Unity to obtain your personal information (including sensitive information), as it relates to the claim, directly from your provider.

## Suspension of membership

**Overseas travel** – If you're travelling overseas, you can suspend your membership for a minimum of two months and up to two years. You need to have at least a hospital cover and your membership must have been active for at least one continuous month prior to your application request and you must be paid up to or in advance of the requested suspension date. Your application must be submitted to us before your departure. A minimum of 12 months must have elapsed since your last suspension.

**Financial hardship** – If you have been a Member with hospital cover for at least 12 continuous months and face financial hardship, you may apply to suspend your membership. Your membership must be paid up to the requested suspension date and the maximum period you can suspend is three months. A minimum of 12 months must have elapsed since your last suspension and only three periods of financial hardship suspension will be allowed in a lifetime.

### Conditions of suspension

While your membership is suspended, we will not pay on any claims for services or treatments that occur during that period. Any remaining waiting periods must be served on reactivation of your membership and if you have a Lifetime Health Cover (LHC) loading, the 10 year anniversary end date will be delayed by the period your membership was suspended.

For overseas travel suspension Members with a separate hospital and extras memberships will need to suspend both simultaneously. Please note, a standalone extras product (where hospital cover is not also held under the same or another Membership) is not eligible for suspension.

**For overseas travel** – suspension will apply from the day after the departure date you nominated on the form or from the date of the receipt of the application form, whichever is later.

**For financial hardship** – suspension will apply from the day you nominated on the form or from the date after the policy is paid to, whichever is earlier.

If you earn over the Medicare Levy Surcharge income threshold, you may have to pay this surcharge for the period the membership was suspended.

You can download the 'Health Cover Suspension' guide for more details from [australianunity.com.au/downloads](http://australianunity.com.au/downloads) or call us to apply.

## Your hospital cover

### Hospital

For those treatments that are included under your hospital cover, we pay benefits towards fees charged for accommodation and theatre when you're an admitted patient at either a private or public hospital. For long hospital stays, your medical provider must certify after 35 days that you still need ongoing acute care. We pay benefits towards in-hospital pharmaceuticals under the Pharmaceutical Benefits Scheme (PBS), doctors' fees raised during your admission (up to the MBS fee) and surgically implanted prosthesis up to the benefit set out in the Australian Government Prosthesis List. Please note for Podiatric Surgery (Provided by a Registered Podiatric Surgeon) we pay reduced benefits. Refer to the Member Guide for details. It's important that you discuss the potential fees with your surgeon and hospital prior to any treatment. While services and treatments are covered under your hospital cover, you may still incur out-of-pocket costs such as an excess or medical gap payments.

### Agreement private hospitals

Agreement private hospital means a private hospital or day hospital facility that has a negotiated contract agreement with Australian Unity to minimise your out-of-pocket costs when you are admitted to hospital. For private hospitals, where no agreement exists, you'll receive reduced benefits for the cost of your hospital treatment. Therefore, you can face large out-of-pocket costs. Refer to [australianunity.com.au/agreementhospitals](http://australianunity.com.au/agreementhospitals) for a list of our agreement private hospitals. Please refer to your Fact Sheet for more detail about benefits you can expect to receive.

### Public Hospitals

If you are admitted to a public hospital as a private patient for treatments that are included under your hospital cover, we will pay up to the minimum (default) benefit. This is the minimum dollar amount set by the Australian Government for accommodation as a private patient in a shared room of a public hospital. It's important to confirm with your surgeon and your hospital any out-of-pocket costs or advantages to being a private patient. Please refer to your Fact Sheet for more details about the benefits you can expect to receive.

### Medical costs

As a private patient, you can have the choice of your own doctor at a private hospital or public hospital if available. Fees charged by your specialist, surgeon and anaesthetist for treatment received while you're in hospital will be billed to you, or sent to us directly where you have an eligible cover. Your practitioner may wish to participate in our Gap Cover scheme to eliminate or reduce your out-of-pocket medical costs. If your practitioner does not participate in the Gap Cover scheme and you do not hold an eligible cover, you are likely to incur out-of-pocket costs for your practitioner's fees.

## Exclusions

If you select a hospital cover that has treatments listed as 'Not Covered', this means that we will not pay any benefits for the treatment you have received and this can result in you incurring large out-of-pocket costs. Always refer to your product Fact Sheet for more details about your hospital cover entitlements.

## Restricted benefits

To lower your hospital premium, some hospital treatments on your cover may be listed as 'Restricted'. This means we will pay the minimum (default) benefit, which is determined by the Australian Government and covers you for the cost of a shared room of a public hospital. Going to a private hospital for a treatment that is restricted will result in large out-of-pocket costs as we will only cover a limited proportion of your accommodation costs. We will not cover fees for private hospital theatre, labour ward or costs associated with an admission to an intensive or coronary care unit for hospital treatments with restricted benefits. Contact us to discuss your cover prior to undergoing any hospital treatment.

## Excess or Co-payments

In exchange for a lower premium, excess and co-payments are set amounts of money you agree to pay towards the hospital accommodation costs if you or a family member is admitted to hospital. The excess and co-payment is applied in accordance with your level of cover. If a child is on your policy and needs to go to hospital, you won't have to pay the excess or co-payment. Please check your product Fact Sheet to confirm how much excess or co-payment you'll have to pay.

## What we don't cover

There are hospital costs that we don't pay, in addition to any specific exclusions listed under your hospital cover. These include:

- medical fees for treatment not listed under the Medicare Benefits Schedule (MBS)
- treatment at hospital as a non-admitted patient or outpatient, e.g. emergency room, outpatient consultations in a doctors room or consultations with a nurse
- special nursing (e.g. your own private nurse not employed by the hospital)
- respite care or where you are deemed a nursing home patient (except where a small benefit is payable as listed under the Private Health Insurance Act)
- pharmaceuticals and other supplies not directly associated or essential to the reason for your admission
- pharmacy items dispensed upon leaving hospital
- if a treatment is excluded under your cover, any associated services are also not covered (e.g. medical gap, prosthesis, pharmacy)
- the gap on Australian Government approved prostheses (including gap-permitted items and the gap for prostheses in non-partner private hospitals)
- for personal in-hospital expenses such as pay TV, non-local phone calls, newspapers, boarder fees, meals ordered for your visitors, and any other personal expenses charged to you
- where treatment is not included under your cover
- where treatment is subject to a waiting period
- for services or items rendered/or purchased outside of Australia
- for any claims submitted more than two years after the date of service
- for any claims containing false or misleading information
- for any claims where you have received compensation, damages or benefits from another source (e.g. TAS or WorkCover) or where we reasonably believe that you are likely to have an entitlement to compensation under a statutory compensation scheme.
- robotic surgery consumables unless otherwise covered for your treatment by the agreement between Australian Unity and the hospital. Please contact your hospital about any out-of-pocket costs.

## Accidents

Accident means an unplanned and unforeseen event, occurring by chance, and leading to bodily injuries caused solely and directly by an external force or object requiring treatment from a Medical Practitioner (defined here as a medical doctor who is not the member or a relative of the Member) within 7 days of the event, but excludes injuries arising out of: surgical procedures; unforeseen illness; pregnancy; drug use; and aggravation of an underlying condition or injury.

For services that are Covered or Restricted, and where a waiting period would normally apply before you are eligible for benefits for those services, you will not need to serve the waiting period to access benefits for those services when they are required as the result of an Accident that occurs after joining Australian Unity hospital cover.

Benefits are not payable, and may have to be repaid by you, for treatment where you have the right to claim compensation, damages or benefits from another source (e.g. TAC or Workcover) now or at a later date. Refer to the Compensation section on this document for further details. We will require you to:

- complete an accident declaration;
- provide medical evidence to verify the occurrence of an accident after joining the cover; and
- provide documentary evidence of an admission to hospital.

This is for us to determine your entitlement to benefits.

Please note we do not pay benefits related to attendance at a hospital emergency department

## Accident cover

Some of our hospital covers have an “Accident Cover” feature. For these covers, if you need hospital treatment for an injury sustained during an Accident (as defined above) that occurred after joining this cover, and the hospital treatment is within a Clinical Category that is listed as Restricted or Not Covered, that hospital treatment will be treated as Covered.

For hospital covers that don’t have an “Accident Cover” feature, we will pay benefits towards hospital treatment required as a result of an accident (as defined above) in the same way we would if that treatment was required for reasons other than an accident. This means that if your cover has any hospital treatments that are Not Covered or Restricted, then they would also be Not Covered or Restricted if they are required as a result of an accident.

## Ambulance

Emergency ambulance transportation is usually defined as when you are at risk of serious morbidity or mortality and require urgent assessment, resuscitation and/or treatment. Medicare does not cover the cost of ambulance services and therefore without some form of cover you can incur a costly service charge.

Claims for emergency ambulance transportation are payable Australia wide and only in accordance with your level of cover and when the account is coded and invoiced as an emergency transportation by a recognised State ambulance authority. All covers also offer Ambulance Attendance which means we will pay for the cost of the arrival of an ambulance and attendance and treatment by a paramedic of a patient, where the condition is stable enough that transportation to hospital is not required. These accounts do not need to be coded as ‘emergency’.

We will not cover Ambulance service charges that are provided by a non-recognised service provider, including private providers. We will also not cover Ambulance transport that’s not billed or coded as an emergency transport such as, inter-hospital transport (unless classified as emergency and not covered by the hospital) or any ambulance transport required after discharge from hospital.

If you are a resident of NSW/ACT (and hold hospital cover), QLD or TAS, benefits for ambulance costs may be covered by your state ambulance scheme. Where available, you may wish to purchase an ambulance subscription if you reside in VIC, SA, NT and rural WA to provide you with a broader cover beyond emergency ambulance only cover under eligible Australian Unity covers.

Some residents in each State or Territory may be eligible for free ambulance services when holding a healthcare, pension or seniors’ concession card.

Where an Extras cover with Ambulance cover is taken with Hospital cover, benefits are payable under the Hospital cover only, except where the Extras cover offers additional benefits not included on the Hospital cover.

Australian Unity will not pay for ambulance services that are covered by a State scheme or subscription.

Please refer to [australianunity.com.au/health-insurance/using-your-cover/emergency-ambulance](https://australianunity.com.au/health-insurance/using-your-cover/emergency-ambulance)

## Your extras cover

### What's covered

Your extras cover provides benefits towards services that aren't claimable from Medicare, such as dental, physiotherapy, optical, remedial massage and acupuncture.

You can claim for these types of services where it is offered under the level of cover you have chosen and the treatment was given by a recognised provider in private practice.

Some treatments are also eligible for benefits where the consultation can be appropriately delivered as a telehealth appointment. Benefits are only payable for one consultation with a provider on the same day, for the same member.

The benefits you can claim are outlined in your product Fact Sheet and the criteria are set out in our Fund Rules which are available online at [australianunity.com.au/importantdocuments](http://australianunity.com.au/importantdocuments)

When making a claim and submitting documents please keep copies if required, as Australian Unity will not return originals. Invoices must detail the date of service, the item number, the description of service and the cost.

Claims for some artificial aids/appliances such as a TENS require a health practitioner's referral stating the condition being treated, to accompany the claim.

### What's not covered

Extras benefits will not be payable:

- where treatment is provided by a practitioner not in private practice
- where a provider is not recognised by us
- for any claims, where the treatment is rendered by a provider to themselves, their partner, dependant, business partner or business partner's partner or dependant. Where the service includes a cost for materials, we may consider payment towards the purchase and supply of those materials.
- when provided in a public hospital
- where Medicare, an Australian Government body or third party provide a benefit
- where services are delivered online or over the telephone, unless part of an approved health management program, Health Support Programs, BumpToBaby or recognised telehealth consultations as listed on your cover
- where more than one treatment or consultation has been charged per patient, per practitioner, per day
- where you have reached your yearly maximum limit, including lifetime limits and benefit replacement periods

- where treatment is not included under your cover
- where treatment is subject to a waiting period
- for services or items rendered/or purchased outside of Australia
- for any claims submitted more than two years after the date of service
- for any claims containing false or misleading information or where the service or treatment has been incompletely or incorrectly itemised
- for any claims where you have received compensation, damages or benefits from another source (e.g. TAS or WorkCover) or where we reasonably believe that you are likely to have an entitlement to compensation under a statutory compensation scheme

### Ambulance

See "Ambulance" at the "Your hospital cover" section above.

### Benefit replacement periods

Benefit Replacement Period means:

- **For full denture replacements** – a continuous period of time that must occur between any two purchases of the same type of artificial aid/appliance item before benefits are payable; or
- **For artificial aids or devices** – a continuous period of time that must occur before the benefit limit for a type of artificial aid/appliance item resets following the initial purchase of that same type of artificial aid/appliance item.

Please refer to the 'Benefit replacement periods for aids and devices' section of the Member Guide for further details.

### Recognised providers

Recognition of providers for payment of your claims is based on our criteria. This includes providers being a member of an appropriate board in their field of practice and operating in private practice. If a provider is not recognised or has been de-listed, benefits will not be payable for their services.

Recognition by Australian Unity is for benefit payment purposes only and should not be taken or construed in any way as sponsorship, approval of, or any recommendation as to the qualifications and skills of, or services provided by, a practitioner or therapist. Before commencing treatment, find out if your provider is recognised by calling us on **13 29 39**.

Should you wish to reinstate your cover at a later date you will have to re-serve all waiting periods as a new Member.

### 30 day cooling-off period

We will allow any new member who has not yet made a claim to cancel their membership and receive a full refund of any premiums paid within 30 days from the commencement of their membership. ### Cancellation of a membership

You have the right to cancel your membership at any time. If you are considering cancelling your membership, please contact our Customer Service team as we may be able to offer you other options.

Neither the fund nor you shall be liable to the other party for any loss or damage arising from the termination or suspension of membership (except for the refund of any premiums paid in advance).

### Refund policy

If you cancel your membership after the cooling off period, we will refund any premiums you have paid beyond the cancellation date.
