

IOOF WEALTHBUILDER

Removal of BPAY minimum amount required for additional investments

To provide more flexibility in managing your IOOF WealthBuilder investment bond, we have removed the \$500 minimum amount when making an additional investment via BPAY^{®1}.

BPAY is a secure and convenient way to make one-off investments² to your IOOF WealthBuilder account by calling your financial institution or visiting their website.

If you would like to use BPAY, your CRN is displayed on your Welcome Letter and Certificate of Membership provided to you when your account was first established. Otherwise, contact your financial adviser or our Investor Services team on 1800 002 217 to obtain your CRN.

Guide to making BPAY payments

To make payments via BPAY, you will need:

- your Customer Reference Number (CRN)
- the applicable Biller Codes.

BPAY is only available to investors with an Australian financial institution account. Please contact your financial institution to arrange BPAY.

Payments via BPAY generally cannot be reversed.

How to use BPAY

Step 1

Through your nominated financial institution's telephone or internet banking service, select the BPAY option.

Step 2

Enter the applicable Biller Code:

² It is important that you consider the impact of your contributions in relation to the 125% rule when investing via BPAY. Please refer to the latest Product Disclosure Statement (PDS) for more information on the 125% rule. In addition, it is recommended that you plan to make any BPAY contributions at least three business days before you require them to be received by us (eg, in advance of your policy anniversary date) to allow time for your financial institution to process your transaction.
