Explanatory Notes:

Item 1—Financial statements and reports

As required by section 317 of the Corporations Act, the Financial Report, Directors’ Report and Auditor’s Report of the Company for the financial year ended 30 June 2017 will be laid before the meeting.

These reports are approved by the Board, and accordingly there is no requirement for members to approve these reports.

However, members are invited to consider and note the reports, and will be given a reasonable opportunity to ask questions and make comments on the reports at the meeting.

Item 2—Remuneration Report

The Remuneration Report for the financial year ended 30 June 2017 is set out in the Directors’ Report in the 2017 Annual Report which is available on the Company’s website, <https://www.australianunity.com.au/about-us/annual-reports>

The Remuneration Report includes:

- (a) an explanation of the Company’s policy for determining the remuneration of directors and executives;
- (b) a discussion of the relationship between that policy and the Company’s performance; and
- (c) details of the performance conditions associated with the remuneration of directors and executives.

As provided for by the Corporations Act, the vote on the proposed resolution in this Item 2 is advisory and will not

bind the directors or the Company. However, members will be given a reasonable opportunity to ask questions and make comments on the report at the meeting, and the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

Directors' Recommendation

The directors unanimously recommend that members vote in favour of the resolution on Item 2.

Item 3 – Election of directors

Rule 4.3(a) of the Company's constitution provides that directors are elected for a term of three years. Ms Cilento, having served as a director for the past three years without re-election, will retire at the end of the meeting.

Being eligible, Ms Cilento offers herself for re-election. Her profile is set out on a latter page.

Ms Chung was appointed to the Board of the Company with effect from 30 June 2017 after a considered search. Ms Chung's appointment reflects the Board's plans to sustain and broaden the mix of skills and business experience of the Board, and its board and committee succession planning program. Ms Chung's appointment was also considered necessary to fill a vacancy on the Board, as Stephen Maitland is due to retire at the conclusion of the 2017 AGM.

Rule 4.5(b) of the Company's constitution provides that any director appointed in addition to the existing directors shall only hold office until the next AGM.

In accordance with the Company's constitution, Ms Chung will retire at the end of the meeting. Being eligible, Ms Chung offers herself for re-election. Ms Chung's profile is set out on a latter page.

This resolution involves two separate votes:

- (a) the first vote, to re-elect Ms Cilento as a director; and
- (b) the second vote, to re-elect Ms Chung as a director.

Each vote will be recorded as a separate item in the minutes.

Directors' Recommendation

The directors, other than the directors who are the subject of this item, support the election of each of the directors and recommend that the members vote in favour of re-electing Ms Cilento and Ms Chung.

Item 4 – Non-executive director remuneration cap

At the 2014 AGM of the Company, the Company's members approved a resolution setting an aggregate limit of non-executive director remuneration at \$1,300,000 per financial year, regardless of the number of directors, with the Board to decide how that aggregate remuneration is apportioned between non-executive directors.

Since the approval of the resolution at the 2014 AGM of

the Company, the total annual remuneration paid to non-executive directors has remained within the \$1,300,000 aggregate limit.

In the three years since the 2014 resolution, the Australian Unity Group has grown significantly (ie as evidenced, in part, by the acquisition of Home Care New South Wales and being selected as the preferred tenderer for the Herston Quarter development in Queensland). Such growth has resulted in increased legislative and regulatory demands being imposed on the Australian Unity Group which has, as a consequence, increased the time commitment of directors. The Board is also mindful of the current market, and the need to have the ability to attract and retain suitably qualified directors.

The Human Resources, Remuneration and Nominations Committee has recently engaged an external remuneration expert to comment on the Company's remuneration practices with respect to non-executive directors and received a report that those practices are conservative in all of the circumstances. The Board therefore wishes to seek approval of members to a modest increase in the aggregate limit.

Under Rule 4.15(a) of the Company's constitution, this aggregate limit may only be raised with approval of members at a general meeting.

Note: This resolution must be passed as an "ordinary resolution" to be successful, requiring at least 50% of votes cast on the resolution being in favour of the resolution.

Directors' Recommendation

The directors unanimously recommend that members vote in favour of the resolution on Item 4.

Item 5 – Amendment of the Company's constitution

The Board has reviewed the Company's constitution to consider whether any amendments are necessary given the expansive growth of the Australian Unity Group and the change in the regulatory landscape since the Company's constitution was adopted in 2009.

A number of amendments to the Company's constitution are proposed to ensure that the constitution reflects current corporate governance standards and is consistent with requirements in the Corporations Act and the Listing Rules of the Australian Securities Exchange ("ASX"). The proposed amendments are summarised in the table below.

A copy of the Company's existing constitution and the version of the constitution with the proposed amendments marked up are available on Australian Unity's website (<https://www.australianunity.com.au/about-us/membership-governance/board-policies-charter>) and at reception at the registered office of the Company at 114 Albert Road, South Melbourne VIC 3205 during normal business hours. Copies of the proposed amended constitution will also be available at the 2017 AGM.

| Rule | Amendment |
|----------------|---|
| 1.2 | A new definition of “Exchange” is proposed. The new definition is required as a consequence of the proposed amendment to Rule 5.2(b) (Time and Place) (see below). |
| 1.4 | It is proposed to delete Rule 1.4 (Scope of Rules) in its entirety as this Rule is largely replicated in section 140 of the Corporations Act. |
| 3.2(a) | It is proposed to delete paragraphs (3), (4) and (5) of Rule 3.2(a) (Cessation of Membership), which provide for cessation of membership in circumstances where a person ceases to be a member of a benefit fund, becomes unfinancial for the purposes of a benefit fund, or ceases to be a member in accordance with the rules of a health benefit fund. These amendments are proposed: <ul style="list-style-type: none"> • because the references to ‘benefit fund’ and ‘health benefit fund’ are outdated in light of the Company’s diversified business; and • to give the Board more flexibility to determine membership eligibility. |
| 3.3 | It is proposed to delete Rule 3.3 (Settlement of Disputes) in its entirety, as inclusion of such a rule is inconsistent with market practice. The Board has taken the view that this rule should be removed to reflect current corporate governance standards and avoid any inconsistency with corporate governance mechanisms available to members in the event of a dispute, both at law (eg, the right to requisition a meeting under section 249D of the Corporations Act) and in the constitution (eg, putting and voting on resolutions at general meetings). |
| 3.4 | It is proposed to delete Rule 3.4 (Demutualisations) in its entirety. This rule ceased to apply after the end of the 2007 AGM of the Company and has only been retained in the Company’s constitution for historical purposes. |
| 3.5 | Consequential amendments to Rule 3.5 (Demutualisations) are proposed to take into account the deletion of Rule 3.4 (Demutualisations). |
| 4.1 and 1.7(b) | It is proposed to amend Rule 4.1 (Board of Directors) to: <ul style="list-style-type: none"> • reduce the maximum number of directors sitting on the Board from twelve to nine; and • remove the existing wording that the directors may determine the number of directors comprising the Board, as this is |

| | |
|----------------------|---|
| | inconsistent with the Corporations Act, which requires shareholder approval for any proposal by directors to set the maximum number of directors on the Board. The proposed reduction of the maximum number of directors to nine reflects the Board’s view that the optimum size for the Board of the Company is not more than nine directors, due to the greater complexity and administrative costs involved with having a larger Board. The proposed reduction in the maximum number of directors is consistent with current market practice, which has seen a decrease in the board size of large listed companies in Australia. It is also proposed to delete Rule 1.7(b) (Transitional Provisions) in its entirety as a consequential amendment. |
| 4.2(e) | It is proposed to insert a new Rule 4.2(e) (Eligibility) to clarify that a person is not eligible to be elected as a director of the Company if they are a partner, employer or employee of an auditor of the Company. This amendment will assist to ensure the independence of the Company’s auditors. |
| 4.6(b)(7) and 5.6(c) | It is proposed to delete Rule 4.6(b)(7) in its entirety. This rule permits the Board to prescribe Standing Orders for the conduct of general meetings. The use of Standing Orders is out of step with current market practice, which is to give the Chair the power to determine the conduct of general meetings. It is also proposed to delete Rule 5.6(c) which refers to Standing Orders, as a consequential amendment. |
| 4.7(da) | It is proposed to insert a new Rule 4.7(da) (Notices of meetings of the Board) into the constitution. This new rule would provide greater clarity on who is entitled to receive a notice of meeting, what the notice of meeting should cover and how it should be distributed. The inclusion of such a rule is consistent with market practice. |
| 4.11 | It is proposed to amend Rule 4.11 (Alternate Directors) to restrict the ability to appoint an alternate director to the Managing Director and other executive directors of the Company (and not all directors). This proposed amendment reflects that it is now increasingly unusual for large companies to have alternate directors. |
| 4.13 | It is proposed to delete existing Rule 4.13 (Indemnity of Officers) and replace it with a new rule dealing with the same subject matter. The reason for the proposed replacement is to better reflect the Corporations Act |

| | | | |
|--------|---|--------|--|
| | provisions dealing with officer indemnities and to align the indemnity provisions in the constitution with those of other large companies. While the new rule is mainly clarifying in nature and aimed at simplifying the existing Rule 4.13, a significant difference is that the new rule provides for officers to be indemnified to the extent permitted by law (rather than specifying the circumstances in which officers will be indemnified, which is the approach in the existing rule). | | quorum is not present 30 minutes after the time appointed for the meeting – a change from the current position where the meeting is deemed quorate after that time. The rationale for the proposed amendment is to reflect standard practice in relation to quorum requirements at adjourned meetings, which is for the adjourned meeting to be dissolved where a quorum is not achieved. |
| 4.14 | It is proposed to delete Rule 4.14 (Insurance) in its entirety as it requires (rather than allows) the Company to take out certain types of insurances. The Company has a comprehensive risk and insurance program and does not consider it necessary, or appropriate, for details on insurance to be contained in the Company's constitution. | 6.2(b) | It is proposed to amend Rule 6.2(b) (Nominations) to clarify that director nominations need to be received at least 56 days before the date of each AGM. The existing wording of the rule refers to a deadline of 28 days before the last date on which notice of the AGM must be given to members. The proposed amendment simplifies this wording to refer to 56 days before the AGM, which is 28 days plus the 28 days' notice required for the AGM. |
| 5.2(b) | It is proposed to insert a new Rule 5.2(b) (Time and Place) to give the Board more flexibility to change the details of, or postpone, a general meeting (with appropriate notice to the ASX). The new rule makes it clear that if a general meeting has been requisitioned by members or is otherwise not called by a Board resolution, the Board must first obtain the consent of the persons that requisitioned or called the meeting before the meeting can be postponed or changed. | 7A | It is proposed to insert a new Rule 7A into the Company's constitution conferring the right on the Company to enter into deeds of access with directors of the Company (both past and present) to allow such directors to have access to materials such as the Company's board papers, books and records for a certain period of time. The inclusion of this rule is consistent with current market practice. |
| 5.4(a) | It is proposed to amend Rule 5.4(a) (Notice of General Meeting) so that: <ul style="list-style-type: none"> at least 28 days' notice of a general meeting (instead of 21 days as the constitution currently provides) must be given to members; and each director and the auditor of the Company will also receive a notice of meeting. The amendments are proposed because: <ul style="list-style-type: none"> the Company is now required to give 28 days' notice of a members' meeting under section 249HA of the Corporations Act as, being debt-listed on the ASX, it is a listed company for the purposes of the Corporations Act; and it is market practice to reflect in a constitution the requirement under the Corporations Act to give the auditor and each director the notice of meeting in the same way that a member is entitled to receive notice. | | <p>If Item 5 is passed by members, the amendments to the constitution summarised above and set out in the amended constitution tabled by the Chair of the meeting will take effect from the conclusion of the 2017 AGM.</p> <p>Note: This resolution is proposed as a "special resolution". In accordance with the Corporations Act, this resolution will only be passed if at least 75% of votes cast on the resolution are in favour of the resolution.</p> <p>Directors' Recommendation</p> <p>The directors unanimously recommend that members vote in favour of the resolution on Item 5.</p> |
| 5.6(b) | It is proposed to amend Rule 5.6(b) (Proceedings at General Meetings) to provide for an adjourned meeting to be dissolved if a | | |
