

Australian Unity Bonds - Base Terms

The following are the base terms and conditions ("**Base Terms**") of the Australian Unity Bonds as referred to in the Base Prospectus dated on or about 30 October 2023 issued by the Issuer ("**Base Prospectus**"). In respect of a Tranche of Australian Unity Bonds, these Base Terms will be supplemented, amended, modified or replaced by Offer Specific Terms ("**Offer Specific Terms**" and, together with the Base Terms, the "**Terms**"). The Offer Specific Terms will be described in the relevant Offer Specific Prospectus. In the event of any inconsistency between the Offer Specific Terms and these Base Terms, the provisions of the Offer Specific Terms will prevail.

1 Form of Australian Unity Bonds

1.1 Constitution and status

Australian Unity Bonds:

- (a) are unsecured and unsubordinated debt obligations of the Issuer constituted by, and owing under, the Trust Deed;
- (b) do not represent:
 - (i) protected accounts of any member of the Australian Unity Group for the purposes of the Banking Act or any similar law of any jurisdiction;
 - (ii) deposits with, or deposit liabilities of, any member of the Australian Unity Group for any other purposes of the Banking Act or the laws of any jurisdiction; or
 - (iii) policy liabilities with any member of the Australian Unity Group under the Life Insurance Act; and
- (c) are not obligations of the Australian Government or of any other government and, in particular, are not guaranteed or insured by the Commonwealth of Australia or any government, government agency or compensation scheme in any jurisdiction or by any other person.

1.2 Form

Australian Unity Bonds are issued in registered form by entry in the Register.

1.3 Face Value

Each Australian Unity Bond is issued fully paid with a Face Value of A\$100 or such other amount specified in the Offer Specific Terms.

1.4 Currency

Australian Unity Bonds are denominated in Australian dollars.

1.5 Term

Australian Unity Bonds are issued with a Maturity Date specified in the Offer Specific Terms. The Maturity Date for an Australian Unity Bond must not occur after the fifteenth anniversary of the Issue Date.

1.6 Clearing System

The rights of a person holding an interest in the Australian Unity Bonds are subject to the rules and regulations of the Clearing System.

1.7 No certificates

No certificates will be issued to Holders unless the Issuer determines that certificates should be available or are required by any applicable law.

1.8 Quotation

The Issuer must use all reasonable endeavours and furnish any documents, information and undertakings as may be reasonably necessary in order to ensure that the Australian Unity Bonds are, and until Redeemed remain, quoted on a Stock Exchange.

1.9 Offer Specific Terms

Australian Unity Bonds are issued in Series. A Series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than in respect of the Issue Price and first payment of Interest). A Tranche is the subject of Offer Specific Terms which supplement, amend, modify or replace these Base Terms. If there is any inconsistency between these Base Terms and the Offer Specific Terms, the Offer Specific Terms prevail.

1.10 No other rights

Australian Unity Bonds confer no rights on a Holder:

- (a) as or to become a Member of the Issuer;
- (b) to vote at any meeting of Members of the Issuer;
- (c) to subscribe for new securities or to participate in any bonus issues of securities of the Issuer; or
- (d) to otherwise participate in the profits or property of the Issuer or any other member of the Australian Unity Group, except as set out in the Terms or the Trust Deed.

1.11 Unsecured notes

Australian Unity Bonds are unsecured notes for the purposes of section 283BH of the Corporations Act.

2 Interest

2.1 Interest

- (a) Each Australian Unity Bond bears interest (**Interest**) on its Face Value from (and including) the Interest Commencement Date to (but excluding) its Maturity Date or Redemption Date at the Interest Rate.
- (b) Interest is payable in arrears on each Interest Payment Date.

2.2 Interest Rate

- (a) The Interest Rate applicable in respect of Australian Unity Bonds of a Series will be set out in the Offer Specific Terms and must be determined by the Issuer in accordance with these Terms.
- (b) The Offer Specific Terms will specify whether the Interest Rate in respect of the Australian Unity Bonds of a Series will be either:
 - (i) a Fixed Interest Rate, in which case clause 2.3 will apply; or

- (ii) a Floating Interest Rate, in which case clauses 2.4 and 2.7 will apply.
- (c) The Issuer must, as soon as practicable after determining the Interest Rate for each Interest Period for each Australian Unity Bond, calculate the amount of Interest expected to be payable for each Australian Unity Bond for that Interest Period.

2.3 Fixed Interest Rate

The provisions of, and the defined terms contained in, this clause 2.3 apply to the Australian Unity Bonds only if the Offer Specific Terms states that it applies.

- (a) The Interest Rate applicable to an Australian Unity Bond for each Interest Period (expressed as a percentage per annum) is specified in the applicable Offer Specific Terms.
- (b) The amount of Interest payable on each Interest Payment Date in respect of the preceding Interest Period in respect of each Australian Unity Bond is the Fixed Interest Payment Amount specified in the Offer Specific Terms or, if a Fixed Interest Payment Amount is not specified, the amount determined in accordance with clause 2.5.

2.4 Floating Interest Rate

The provisions of, and the defined terms contained in, this clause 2.4 apply to the Australian Unity Bonds only if the Offer Specific Terms state that it applies.

- (a) The Interest Rate applicable to an Australian Unity Bond for each Interest Period (expressed as a percentage per annum) is calculated according to the following formula:

$$\text{Interest Rate} = \text{Market Rate} + \text{Margin}$$

where:

Market Rate means the BBSW Rate or such other rate specified in the Offer Specific Terms; and

Margin means the rate (expressed as a percentage per annum) specified in the Offer Specific Terms.

- (b) If, in respect of an Interest Period, the Issuer is unable to determine a rate in accordance with this clause 2.4, the Interest Rate for the Interest Period is the Interest Rate applicable to the Australian Unity Bonds during the immediately preceding Interest Period.

2.5 Calculation of Interest payable

If a Floating Interest Rate applies or a Fixed Interest Rate applies and Fixed Interest Payment Amount is not specified in the Offer Specific Terms, the amount of Interest payable on each Australian Unity Bond for an Interest Period is calculated according to the following formula:

$$\text{Interest} = \text{Interest Rate} \times \text{Face Value} \times \text{Day Count Fraction}$$

2.6 Accrual of Interest for other periods

Where for the purposes of the Terms it is necessary to calculate an amount of interest accrued for a period that is not an Interest Period, the amount is calculated according to the following formula:

Interest = Interest Rate x Face Value x Day Count Fraction

where, for the purposes of the definition of “Day Count Fraction”, the number of days in the Calculation Period is:

- (A) for a period ending on a date occurring before the first Interest Payment Date, the number of days from (and including) the Interest Commencement Date to (but excluding) that date; and
- (B) for a period ending on a date occurring after the first Interest Payment Date, the number of days from (and including) the preceding Interest Payment Date to (but excluding) that date.

2.7 Notification of Interest Rate, Interest payable and other items

The provisions of, and the defined terms contained in, this clause 2.7 apply to the Australian Unity Bonds only if the Offer Specific Terms state that clause 2.4 (“Floating Interest Rate”) applies.

The Issuer must notify the Trustee, the Registrar and the Stock Exchange of:

- (a) the Interest Rate for each Interest Period and the amount of Interest payable per Australian Unity Bond; and
- (b) any amendment to the Interest Rate or the amount referred to in paragraph (a) arising from any extension or reduction in any Interest Period or Calculation Period. The Issuer must give notice under this clause 2.7 as soon as practicable after it makes its determination.

However, the Issuer must give notice of each Interest Rate and the amount of Interest payable by the fourth Business Day of the Interest Period. The Issuer may amend its determination of any amount, rate, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or Calculation Period without prior notice but must notify the Trustee, the Registrar and the Stock Exchange after doing so.

2.8 Default interest

If an amount is not paid under the Terms when due, interest accrues on the unpaid amount (both before and after any demand or judgment) at the last applicable Interest Rate plus 2% until the date on which payment is made to the Holder.

2.9 Calculations

For the purposes of completing any calculations required under the Terms:

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with 0.00005% being rounded up to 0.0001%);
- (b) all figures resulting from the calculations must be rounded to four decimal places (with 0.00005 being rounded up to 0.0001); and
- (c) all amounts that are due and payable to a Holder in respect of the Holder’s aggregate holding of Australian Unity Bonds of a Series must be rounded to the nearest one cent (with 0.5 of a cent being rounded up to one cent).

4.1 Negative pledge

4.3 Restrictions on Subsidiary Financial Indebtedness

So long as any Australian Unity Bonds remain outstanding, the Issuer must ensure that no member of the Australian Unity Group outside the Obligor Group will incur any present or future Financial Indebtedness except under or in respect of:

- (b) any present or future Financial Indebtedness (whether secured or unsecured) owed by one member of the Australian Unity Group to another member of the Australian Unity Group;

- (d) any other present or future Financial Indebtedness not referred to in paragraphs (a), (b) or (c) above, provided the aggregate principal amount of such Financial Indebtedness incurred is not more than 10% of Total Equity; or
- (e) any other present or future Financial Indebtedness specified in the Offer Specific Terms.

This clause 4.3 does not apply to any ADI that is a member of the Australian Unity Group.

4.4 Determination of ratios

The amount of any Gearing Ratio Debt (and the elements included in its calculation) required to be calculated for the purposes of the Terms shall be determined in accordance with Applicable Accounting Standards in force as at the date of the Base Prospectus unless the Issuer notifies the Holders and the Trustee that such amounts will instead be determined in accordance with Applicable Accounting Standards in force at the time of making the determination.

7 Title and transfer of Australian Unity Bonds

7.1 Title

Title to an Australian Unity Bond passes when details of the transfer are entered in the relevant Register.

7.2 Effect of entries in Register

Each entry in the Register in respect of a Series constitutes:

- (a) an unconditional and irrevocable undertaking by the Issuer to the Holder to pay principal, interest and any other amount in accordance with the Terms; and
- (b) an entitlement to the other rights of Holders under the Terms and the Trust Deed in respect of the Australian Unity Bond,

in each case of that Series.

7.3 Register conclusive as to ownership

Entries in the Register in relation to a Series constitute conclusive evidence that the person so entered in respect of an Australian Unity Bond is the absolute owner of that Australian Unity Bond subject to correction for fraud or manifest or proven error and, except as required by law, the Issuer, the Trustee and the Registrar must treat that person as the absolute owner of that Australian Unity Bond. This clause 7.3 applies whether or not an Australian Unity Bond is overdue and despite any notice of ownership, trust or interest in the Australian Unity Bond.

7.4 Joint holders

Where two or more persons are entered in a Register as the joint holders of an Australian Unity Bond then they are taken to hold the Australian Unity Bond as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of any Australian Unity Bond.

7.5 Transfers in whole

Australian Unity Bonds may be transferred in whole but not in part.

7.6 Transfer

A Holder may, subject to this clause 7.6, transfer any Australian Unity Bonds:

- (a) if the Australian Unity Bonds are quoted on the ASX, by a proper ASTC transfer according to the ASTC Settlement Rules;

The Issuer must not charge any fee on the transfer of an Australian Unity Bond.

7.7 Market obligations

The Issuer must comply with all Applicable Regulation and any other relevant obligations imposed on it in relation to the transfer of an Australian Unity Bond.

7.8 Delivery of instrument

If an instrument is used to transfer Australian Unity Bonds according to clause 7.6, it must be delivered to the Registrar, together with such evidence (if any) as the Registrar reasonably requires to prove the title of the transferor to, or right of the transferor to transfer, the Australian Unity Bonds.

7.9 Refusal to register transfers

- (a) The Issuer may only refuse to register a transfer of any Australian Unity Bonds if such refusal is required or permitted by Applicable Regulation.
- (b) The Issuer may take all steps required or permitted by Applicable Regulation to give effect to a refusal to register a transfer of Australian Unity Bonds in accordance with paragraph (a), including where the Australian Unity Bonds are quoted on ASX, by application of a holding lock.
- (c) If the Issuer refuses to register a transfer, the Issuer must give the lodging party notice of the refusal and the reasons for it within five Business Days after the date on which the transfer was delivered to the Registrar.

7.10 Effect of transfer

A transferor of an Australian Unity Bond remains the Holder in respect of that Australian Unity Bond until the transfer is registered and the name of the transferee is entered in the Register of that Series as the Holder of the Australian Unity Bond.

7.11 Estates

A person becoming entitled to an Australian Unity Bond as a consequence of the death or bankruptcy of a Holder or of a vesting order or a person administering the estate of a Holder may, upon producing such evidence as to that entitlement

or status as the Registrar considers sufficient, transfer the Australian Unity Bond or, if so entitled, become registered as the holder of the Australian Unity Bond.

8 Payments

8.1 Payments

Payments in respect of the Australian Unity Bonds will be made in accordance with this clause 8.

Payments of Interest in respect of an Australian Unity Bond will be made to the person registered at 5.00 pm on the Record Date as the holder of that Australian Unity Bond.

8.4 Payments to accounts

Amounts payable by the Issuer to a Holder in respect of an Australian Unity Bond may be paid in any manner that the Issuer decides, including by any method of direct credit determined by the Issuer to the Holder or Holders shown on the Register or to such person or place directed by them.

8.5 Payments by cheque

The Issuer may decide that payments in respect of an Australian Unity Bond will be made by cheque sent on the payment date, at the risk of the registered Holder, to the Holder (or to the first named joint holder of the Australian Unity Bond) at its address appearing in the Register at close of business on the Record Date (in the case of a payment of Interest) or on the Redemption Date or the Maturity Date (in the case of payment of principal).

Cheques sent on the payment date to the nominated address of a Holder will be taken to have been received by the Holder on the payment date and, no further amount will be payable by the Issuer in respect of the Australian Unity Bonds as a result of the Holder not receiving payment on the due date.

8.6 Unsuccessful attempts to pay

Subject to applicable law, where the Issuer:

- (a) decides that an amount is to be paid to a Holder by a method of direct credit and the Holder has not given a direction as to where amounts are to be paid by that method;
- (b) attempts to pay an amount to a Holder by direct credit, electronic transfer of funds or any other means and the transfer is unsuccessful; or
- (c) has made reasonable efforts to locate a Holder but is unable to do so,

in each case the amount is to be held by the Issuer for the Holder in a non-interest bearing deposit with a bank selected by the Issuer until the Holder or any legal personal representative of the Holder claims the amount, the amount is paid by the Issuer according to the legislation relating to unclaimed amounts, or the claim by or on behalf of the Holder is barred by applicable law or under clause 10.1 (whichever occurs first).

When this clause 8.6 applies, the amount payable in respect of the relevant Australian Unity Bond shall be treated as having been paid on the date scheduled for payment and a Holder will not be entitled to any interest or other payment for any delay after the due date in receiving the amount due.

8.7 Payment to joint Holders

A payment to any one of joint Holders will discharge the Issuer's liability in respect of the payment.

8.8 Payments subject to law

All payments are subject to applicable law, but without prejudice to provisions of the Terms relating to the payments of Additional Amounts.

8.9 Payments on Business Days

If a payment:

- (a) is due on an Australian Unity Bond on a day which is not a Business Day then the due date for payment will be adjusted in accordance with the Business Day Convention; or
- (b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and in either case, the Holder is not entitled to any additional payment in respect of that delay.

9 Taxation

9.1 No set-off, counterclaim or deductions

All payments in respect of the Australian Unity Bonds must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless such withholding or deduction is required by applicable law or made under or in connection with, or to ensure compliance with, FATCA.

9.2 Withholding tax gross up

Subject to clause 9.3, if an applicable law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of an Australian Unity Bond such that the Holder would not actually receive on the due date the full amount provided for under that Australian Unity Bond, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed in Australia, the Issuer will pay an Additional Amount so that, after making the deduction and further deductions applicable to Additional Amounts payable under this clause 9.2, the Holder is entitled to receive (at the time the payment is due) the amount it would have received if no deduction or withholding had been required to be made.

9.3 Withholding tax exemptions

No Additional Amounts are payable under clause 9.2(b) in respect of any Australian Unity Bond:

- (a) to, or to a third party on behalf of, a Holder who is liable to such Taxes in respect of such Australian Unity Bond by reason of the person having some connection with Australia other than the mere holding of such Australian Unity Bond or receipt of payment in respect of the Australian Unity Bond;
- (b) to, or to a third party on behalf of, a Holder who could lawfully avoid (but has not so avoided) such Taxes by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or similar case for exemption to any tax authority;
- (c) to, or to a third party on behalf of, a Holder who is an Offshore Associate and not acting in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act;
- (d) to, or to a third party on behalf of, a Holder that is not the beneficial owner of such Australian Unity Bond to the extent that the beneficial owner thereof would not have been entitled to the payment of such Additional Amounts had such beneficial owner been the Holder of such Australian Unity Bond;
- (e) to, or to a third party on behalf of, a Holder where such withholding or deduction is required to be made pursuant to a notice or direction issued by the Commissioner of Taxation under section 255 of the Australian Tax Act or section 260-5 of Schedule 1 to the Taxation Administration Act 1953 of the Commonwealth of Australia or any similar law;
- (f) to, or to a third party on behalf of an Australian resident Holder or a non-resident Holder carrying on business in Australia at or through a permanent establishment of the non-resident in Australia, if the Holder has not supplied an appropriate Australian tax file number, an Australian business number or other exemption details before the Record Date; or
- (g) in respect of any Tax imposed on or calculated having regard to the net income of the Holder.

Notwithstanding any other provision of the Terms, if the Issuer, or any other person through whom payments on the Australian Unity Bonds are made, is required to withhold or deduct amounts under or in connection with, or in order to ensure compliance with FATCA, the Issuer shall be entitled to make such withholding or deduction and shall have no obligation to gross up any payment under the Terms or to pay any Additional Amount or other amount for such withholding or deduction.

10 General provisions and governing law

10.1 Time limit for claims

A claim against the Issuer for a payment under an Australian Unity Bond is void unless made within five years after the date on which payment first became due.

10.2 Meetings

The Meeting Provisions set out the provisions for convening meetings of the Holders to consider any matter affecting their interests including certain variations of the Terms which require the consent of the Holders.

10.3 Amendments

(a) At any time, but subject to compliance with the Corporations Act and all other applicable laws, the Issuer may, with the approval of the Trustee (such approval not to be unreasonably withheld or delayed), but without the consent of the Holders, amend the Terms in respect of any Series if the Issuer is of the opinion that such amendment:

- (i) is of a formal or technical or minor nature;

 - (C) to comply with the provisions of any statute or the requirements of any statutory authority; or

For the purposes of determining whether an amendment is not materially prejudicial to the interests of Holders as a whole, the taxation consequences to a Holder (or any class of Holders) and other special consequences or circumstances which are personal to a Holder (or any class of Holders) do not need to be taken into account by the Issuer, the Trustee or their respective legal advisers.

- (b) At any time, but subject to compliance with the Corporations Act and all other applicable laws, the Issuer may, with the approval of the Trustee (such approval not to be unreasonably withheld or delayed), amend the Terms in respect of any Series:
- (i) except as otherwise provided in paragraphs (ii) and (iii) below, if such amendment is authorised by a Holder Resolution;
 - (ii) in the case of an amendment to this clause 10.3 or any clause of the Trust Deed or any paragraph of the Meeting Provisions, in either case, providing for Holders to give a direction to the Trustee by a Special Resolution, if a Special Resolution is passed in favour of such amendment;
 - (iii) in the case of an amendment to the Meeting Provisions and to which clause 10.3(b) does not apply, if a Special Resolution is passed in favour of such amendment; and
 - (iv) otherwise in accordance with the Trust Deed.

An amendment made pursuant to this clause 10.3 applies only to Australian Unity Bonds of the Series to which such amendment relates.

10.4 Further issues

The Issuer may from time to time, without the consent of the Holders, issue a Tranche of Australian Unity Bonds having the same Terms as an existing Series of Australian Unity Bonds in all respects (or in all respects except for the Issue Date and the first payment of Interest for such new Australian Unity Bonds) so as to form part of the same Series or another Series of Australian Unity Bonds or issue any other bonds, notes, shares or any other form or type of securities, or (subject to clause 4.1 ("Negative pledge")) incur or guarantee any indebtedness, upon such terms as it may think fit in its sole discretion.
