Please include a brief summary of the project and its main purpose, need you are addressing, who it will support, location, etc. (250 word limit)

If known, how many people are estimated to be impacted by this project?

What results do you expect for this program/project, and how will these be measured? (250 word limit)

Is this a new or existing program or project?	☐ New	☐ Existing

Australian Unity measures its social impact through the Community and Social Value framework. Thinking about your project, please select the most compatible *priority outcomes* that you see aligning with this project from the list below:

The seven domains of wellbeing	Impact area	Priority outcome
Health	**Lifelong wellness** We help our customers and members access better levels of health and wellness with care and services that are based on individual needs.	☐ **Better access to healthcare**
Future security		☐ **Improved health outcomes**
Standard of living	**Economic empowerment** We help build financial security and resilience to provide confidence about the future and to deal with any challenges in life.	☐ **Building financial resilience**
Achieving in life		☐ **Social and economic opportunities through employment**
Relationships	**Strong communities** Strong communities provide individuals with a sense of purpose and security through meaningful engagement, access to services and social connectedness.	☐ **Leading social innovation**
Community connectedness		
Personal safety		☐ **Supporting living in place**

Why is this program/project well placed to address the priority outcomes you have selected? Please provide details by Priority Outcome area. (300 word limit)

Budget

What is the total budget for this program/project?	

Please provide a brief overview of how the grant funds ($75,000 per year for three years) will be used.

If this grant does not cover the total cost for the program/project, has the remaining money been secured? If not, please advise how the remaining funds will be sourced. (100 word limit)
