The Governor's Retirement Resort - Independent Living with a Genuine Sense of Community

Located in peaceful, well-established surrounds in Port Macquarie, The Governor's Retirement Resort offers a comfortable, low-maintenance lifestyle with just the right balance of privacy, independence, and connection. This is the kind of place where neighbours become familiar faces, where you can stop by the lounge for a friendly chat, join in a game, or simply enjoy the quiet beauty of the lagoon as it gently trickles by. Whether you enjoy company or prefer the peace of your own space, you'll feel at home here, supported by staff who are not only professional, but also warm, approachable, and always ready to help. Our refurbished serviced studio apartments are designed with comfort and convenience in mind-offering level access, open-plan layouts, garden or lagoon views, and practical features like built-in wardrobes, kitchenettes, and internal laundries. With no need to worry about maintenance, you're free to enjoy the lifestyle that suits you. Hospitals, medical centres, public transport, and Port Macquarie's stunning beaches are all within easy reach and you're just a short stroll from all the essentials-walking across the nearby weir brings you straight to Settlement City Shopping Centre, with shops, cafés, and services right at your doorstep. The Governor's combines the ease of everyday living with the calm of a welcoming, community-focused environment. To arrange a private tour or learn more, please contact Claudia on 0458 842 780.
