A stone-throw from our Centenary Centre leisure amenities Offering picturesque village views from its elevated balcony vantage point, this light-filled two bedroom unit is conveniently located just a two minute stroll from the Centenary Centre amenities and bowling green. Better still, you'll enjoy easy elevator access just metres from your front door to both street level and your undercover, lock-up garage. The spacious two bedroom design includes ducted air conditioning, built-ins in both bedrooms and a large, fully tiled main bathroom with enclosed internal laundry. Filled with natural light thanks to the bright north-easterly aspect, the open plan lounge and dining areas flow to a curved undercover balcony bathed in morning sun, with more than enough room for an outdoor setting and your favourite planter boxes. Designed with storage and bench space in mind, the practical kitchen features a breakfast bar for casual meals, plenty of easy-clean polyurethane cabinets, stainless steel appliances and tiled splashbacks. Alternatively, take advantage of the opportunity to meet the friendly neighbours at the Eucalyptus BBQ area located on the ground level.
