Make the most of an easy retirement in this ground floor garden unit

The open plan design of the living and dining area provides a relaxed atmosphere and living space which extends out to the private courtyard surrounded by a garden filled with flowers. There are two generous bedrooms, both with built-in wardrobes and leafy views, while the master bedroom has ensuite-style access to the modern, tiled bathroom. Enjoy the space of your new retirement lifestyle and make the second bedroom an office, craft room or guest room. Phone Zuzana on 8868 9090 for more information.
