

The real
wellbeing
approach to
home care

Australian Unity is one of the country's leading providers of home care services. Our award-winning team will make the process of organising your home care services smooth and stress free so that you can live well at home and focus on the things you enjoy most.

“The staff are all extremely friendly and helpful and make you feel comfortable and as nothing is a problem.”

The Australian Unity difference

More than 29,000 people trust Australian Unity’s award-winning home care services. Here’s why:

We partner with you to design care plans that meet your personal needs and goals. We check in regularly and work with you to adjust your care as you need to ensure you continue to live comfortably at home.

Our dedicated Care Partners take the stress out of organising home care, coordinating your schedule, finding the right care team and managing your budget, so that you can spend your time on the things you enjoy most.

We’ll match you with a small, personalised support team with the right mix of skills and qualifications to support you, so that you have consistency in your services and always know who is coming and when.

You’ll have access to one of the largest health and home care teams in Australia, which includes more than 3,000 care workers, nurses and allied health clinicians who are passionate about delivering a high quality service. With this breadth of expertise you can have peace of mind that we’ll be there to support you as your needs evolve.
