

Retirement Village Information Statement

Retirement Villages Act 1986, section 19

Retirement Village Regulations 2026, regulations 11-12

This form is approved by the Director, Consumer Affairs Victoria under section 19 of the *Retirement Villages Act 1986*. All retirement village information statements must be in this form.

What is a Retirement Village Information Statement?

Every retirement village in Victoria must provide it in the same standardised format. Prospective residents can use information statements to compare retirement villages on a like-for-like basis.

It is designed to provide prospective residents information to make an informed decision about whether to move into this village. It covers the costs of entering, living in and leaving; the services and facilities available; and important details about how the village operates.

Information statements must be updated at least every 12 months and as soon as possible after any change to the information provided.

How to access information statements for different villages?

Every retirement village must publish their information statement on their village's website.

The operator of a retirement village must also provide the information statement:

- at the request of a prospective resident within seven days,
- with any targeted promotional material, and
- at least 21 days before a resident enters into a residence or management contract in respect of the village.

Navigating the information statement

Part A: Village-level information

Provides information about the village and operator including about any owners corporation, types of contracts and tenure, village facilities and services, the number and types of residential premises, future developments, security and emergency assistance systems, insurance arrangements, financial management, residents committee and village rules.

Part B: Village fees and charges

Provides information on fees and charges to be paid on entry, while living in the village, and when you leave.

Attachments to the information statement provide:

- A list of village services and facilities with associated fees (Attachment 1)
- Details of village insurance information (Attachment 2)

- A glossary of fees to help prospective residents understand the terms used throughout the statement (Attachment 3).

Finding more information

Other documents and information are available to help inform prospective residents. Operators must provide the following documents to prospective residents at least 21 days before entering into a management contract:

- a draft residence contract and management contract for the village
- the village by-laws and a document under which a resident agrees to observe the by-laws, and promises to pay an entry payment or a recurring charge for the provision of goods or services by the operator
- financial statements as presented at the most recent annual meeting of the residents.

Prospective residents may also wish to ask for information on the specific fees and charges for a residence they are considering in an easy to understand form. A suggested form for this purpose can be found on the Consumer Affairs Victoria website www.consumer.vic.gov.au.

Understanding the financial commitment

Entering a retirement village is a significant financial decision.

The financial structure of retirement village living is different from conventional home ownership or renting, and the net financial outcome can vary significantly depending on the length of stay and the terms of contracts. It is important that residents understand how the costs interact and what they will ultimately receive when they permanently depart the village.

Before signing any contract, you are strongly encouraged to read all documents carefully, ask questions of the operator, and seek advice from an independent financial adviser to ensure you have a full understanding of your financial obligations and entitlements.

Where can prospective residents get help or more information?

If prospective residents need help understanding this statement or want more details about retirement village living in Victoria, they can contact Consumer Affairs Victoria for information and assistance by visiting www.consumer.vic.gov.au or calling 1300 55 81 81.

Operators must provide the following documents to prospective residents at least 21 days before entering into a management contract:

- a draft residence contract and management contract for the village
- the village by-laws and a document under which a resident agrees to observe the by-laws, and promises to pay an entry payment or a recurring charge for the provision of goods or services by the operator
- financial statements as presented at the most recent annual meeting of the residents.

Attachment 3: Glossary of fees

Capital maintenance fund contribution: A portion of resident payments is set aside by the operator into a dedicated fund for future major repairs and maintenance of village infrastructure. The operator determines the required portion.

Contract check fee: The annual contract check, which summarises fees and exit position, must be provided free. An on-demand check is also free where the resident gives 28 or more days written notice of intention to leave.

Deferred management fee: A fee payable on exit, as a contribution toward the cost of services provided to the resident during their time in the village. It is calculated as a percentage of the entry payment, accruing daily based on length of residence. It cannot be charged where the resident leaves during the settling-in period or moves to another unit within the same village.

Entry payment: The main upfront payment for the right to live in the village. It may be a lump sum or fixed instalments. It may be fully or partly refunded when you leave (a repayable entry payment) or it may be non-refundable. It does not include rent, maintenance charges or optional service fees.

Exit entitlement: The amount paid back to the resident on exit. For non-owner residents, it starts with the repayable entry payment. For owner residents, it starts with the sale price of the unit. Any fees, outstanding charges and other deductible amounts are subtracted to give the final figure.

Holding deposit: A payment to reserve a specific unit before a residence contract is signed. It falls outside the standard entry payment rules and is regulated under the Sale of Land Act 1962 instead.

Maintenance charge: A regular fee, usually weekly, fortnightly or monthly, covering village management, staff, facilities and common areas. It is capped each year in line with the all groups Consumer Price Index (CPI) for Melbourne in original terms published by the Australian Bureau of Statistics; and can only exceed that cap if residents approve a higher amount by special resolution.

Optional services charge: A fee for extra services a resident elects to use, such as meals or personal care, that are not part of the standard village offering. These charges cease on vacation of the premises or on the resident's death.

Owners corporation fee (owner residents only): Where the village has an owners corporation, owner residents pay a separate fee covering common property upkeep and insurance. This is in addition to the maintenance charge.

Rates and taxes: Government charges such as council rates and land tax on the village land. These may be passed on through the maintenance charge or charged separately, as set out in the contract.

Reinstatement costs (non-owner residents): non-owner residents must return the unit reasonably clean and in the same condition as when they moved in, allowing for fair wear and tear. Where this has not occurred, the operator may issue a written notice specifying the required works and their estimated cost. If not disputed within 21 days, the operator may carry out the works and charge the resident the reasonable cost.

Rent (non-owner residents): Some non-owner residents pay ongoing rent for the right to occupy their unit, in place of or in addition to an entry payment. Rent is treated separately from entry payments under the legislation.

Special levy: A one-off charge for unexpected major expenses. No more than one special levy may be charged in any 12-month period, and only where required by law, approved by residents by special resolution, or covered by the contract.

Utility charges: Charges for electricity, gas and water consumed by the resident. The method of calculation varies between villages and is set out in the contract.

Waiting list fee: A fee charged to join the village waiting list. It may or may not be refundable. The operator is required to state in the information statement whether a waiting list fee applies and whether it is refundable on entry.

3. Conditions

3.1 Cancellation of policy

In accordance with section 60 of the Insurance Contracts Act 1984 (Cth), in the event of a prescribed failure by the **Insured** to comply with a provision requiring the **Insured's** compliance under section 60, the **Insurer** may be able to cancel the **Policy**.

3.2 Adjustment

If the **Premium** for this **Policy** has been calculated on estimates provided by the **Named Insured** and the **Policy** is identified as subject to adjustment based on a minimum and/or deposit **Premium**:

1. the **Insurer** shall, prior to commencement of the **Period of Insurance**, inform the **Named Insured** of the minimum and/or deposit **Premium**, the method the **Insurer** will use to calculate the **Premium** adjustment, the information the **Insurer** will require for the calculation of the **Premium** adjustment and, optionally, the timeframe within which the **Insurer** will require that information after expiry of the **Period of Insurance** (but not less than thirty days);
2. the **Named Insured** shall within the timeframe specified by the **Insurer** or, if the **Insurer** has not specified a timeframe, a reasonable period after expiry of each **Period of Insurance** (being not less than thirty days) furnish to the **Insurer** the information specified by the **Insurer** for such expired period; and
3. the **Premium** for such period shall be adjusted by the **Insurer** according to the calculation method specified by the **Insurer** and the difference be paid by or refunded to the **Named Insured** subject to any minimum **Premium** applicable. If the adjusted **Premium** is less than the deposit **Premium**, the **Insurer** will refund the difference, less the **Insurer's** minimum **Premium** for the relevant **Period of Insurance** and less any non-refundable government charges. If the adjusted **Premium** is more than the deposit **Premium**, the **Named Insured** will pay the difference to the **Insurer** as soon as reasonably practicable.

The **Named Insured** shall keep an accurate record of the information required by the **Insurer** and shall at all reasonable times allow the **Insurer** to inspect such record.

If this **Policy** is cancelled the adjustment calculation shall only be applied to the pro rata proportion of the **Premium** for the time the **Insurer** was on risk.

3.3 Cancellation

The **Named Insured** may cancel this **Policy** by giving notice in writing to the **Insurer**. If such notice is given, the cancellation will take effect on the day the notice is received by the **Insurer**.

The **Insurer** may cancel this **Policy** in any of the circumstances set out in the Insurance Contracts Act 1984 (Cth), including where:

1. the **Insured** has failed to comply with a provision of the **Policy**;
2. the **Named Insured** has failed to comply with a provision of the **Policy** with respect to payment of premium.

Upon cancellation, the **Insurer** will retain a short period premium calculated at the pro rata proportion of the **Premium** for the time it has been on risk, subject to any minimum and/or deposit **Premium** that may apply, and the **Named Insured** will receive the balance of the premium actually paid (including GST if applicable) less any non-refundable government charges.

When the **Premium** is subject to adjustment in accordance with condition 8.2 'Adjustment', cancellation will not affect the obligation of the **Named Insured** to furnish the **Insurer** with the information specified by the **Insurer** as is necessary to enable the **Premium** adjustment to be calculated and to pay the amount of any adjustment applicable up to the date of cancellation. The **Named Insured** can request that the **Insurer** offset the amount of any refund that is due and payable by the **Insurer** to the **Named Insured**, against any amount the **Named Insured** may owe the **Insurer** due to an adjusted **Premium**.

3.4 Claims conditions

1. In the event of an **Occurrence** or loss or if an **Occurrence** or loss appears reasonably likely to take place the **Insured** must as soon as reasonably practicable take at its own expense all responsible steps to prevent or minimise **Personal Injury, Damage to Property, Advertising Injury** and/or any other loss or expense.
2. Subject to paragraph 3 below for claims made under 'Extension 2 - Product errors or omissions coverage', the **Insured** must give notice in writing to the **Insurer** as soon as reasonably practicable of every **Occurrence** or loss likely to give rise to a claim under this **Policy** and must as soon as reasonably practicable forward to the **Insurer** all documents and information relevant to each such **Occurrence** or loss including but not limited to every demand, writ, summons, proceedings, notice of prosecution, inquest or inquiry and all associated information.
3. 'Extension 2 - Product errors or omissions coverage' is issued on a 'claims made and notified' basis. In the event of a claim under this extension, the notice of claims must comply with the 'Claims made and notified basis of coverage' notice attached to this **Policy**.
4. The **Insured** must not, without the **Insurer's** prior written consent, make any admission, offer, promise or payment in connection with any **Occurrence** or loss.
5. The **Insured** must:
 - (a) take reasonable steps to preserve (and continue preserving) all property, any **Product**, appliance and plant and all other things that the **Insured** knows or suspects is connected with an **Occurrence**, loss or claim, until the **Insurer** has had an opportunity to determine whether such property or things may assist in the investigation or defence of the claim or in the exercise of rights of subrogation, until such property or things are no longer required for that purpose. Provided that if the **Insured's** compliance with this clause would limit the ability to continue operating the **Insured's Business**, the **Insurer** must make the determination as soon as reasonably possible; and
 - (b) so far as may be reasonably practicable, provide the **Insurer** with an opportunity of inspection and obtain the **Insurer's** consent prior to effecting the alteration or repair of any thing connected with an **Occurrence**, loss or claim.
6. A range of different costs, charges, expenses and fees are covered under this **Policy**. Unless otherwise specified, this **Policy** provides cover for the 'reasonable' amount of such cost, charge, expense or fee. This means the **Insurer** will pay the **Insured** an amount that is not excessive and provided reasonable consideration has been given to the courses of action available prior to incurring the amounts in the circumstances. When the **Insured** contacts the **Insurer** to seek the **Insurer's** consent before incurring costs, the **Insurer** will discuss whether the amounts which are to be incurred are reasonable with the **Insured** and if so, provide consent for the costs to be incurred.
7. In respect of any **Occurrence** or loss covered under this **Policy**, the **Insurer** has the right and full discretion, but is not obligated, to assume conduct of the defence or settlement of any suit or claim against the **Insured** seeking **Compensation** or reimbursement of expenses for an **Occurrence** or loss (including in relation to insured, underinsured and uninsured losses) and to bring any cross claim in the name of the **Insured** even if any of the allegations of the suit are groundless, false or fraudulent.

The **Insurer** reserves entirely its rights under this **Policy**, including its right to agree or deny cover while it assesses an **Occurrence**, loss or claim or conducts the defence. The **Insurer's** rights under this **Policy** are not affected if it does not conduct the defence.

The **Insurer** is not obligated to pay any claim or judgment or to defend any suit after the **Insurer's** liability under this **Policy** in respect of the matter has been exhausted.

If the **Insured** disputes the **Insurer's** approach to defending a suit or claim, the **Insured** and **Insurer** shall endeavour to settle this dispute by mediation administered by the Australian Disputes Centre (ADC) before having recourse to arbitration or litigation.

The mediation shall be conducted in accordance with the ADC Guidelines for Commercial Mediation operating at the time the matter is referred to ADC (the Guidelines).

The terms of the Guidelines are hereby deemed incorporated into this agreement.

8. The **Insured** must use all reasonable endeavours to co-operate with the **Insurer** and comply with the terms and conditions of this **Policy**, and assist as reasonably required in enforcing any right to contribution or indemnity from any person, corporation or organisation.

3.5 Cross liability

Each of the parties comprising the **Insured** is considered a separate legal entity and the word **Insured** applies to each party as if a separate policy had been issued to each of the said parties, provided always that:

1. each of such parties shall be separately subject to the terms, conditions, exclusions and definitions of this **Policy**; and
2. nothing contained in this clause will operate to increase the **Insurer's** liability under this **Policy**.

3.6 Currency

All amounts referred to in this **Policy** are in Australian Dollars.

If the **Insured** incurs liability to settle any claim for an amount stated in the local currency of any country or territory outside the Commonwealth of Australia, where an award is made or a settlement is agreed upon, then, the amount payable by the **Insurer** shall be the value of such award or settlement together with costs awarded or payable to any claimant converted to Australian Dollars at the applicable currency rate of exchange on the date on which the payment is made, subject to the **Limit of Liability**.

3.7 Goods and Services Tax

The **Named Insured** must tell the **Insurer** about the input tax credit (ITC) the **Named Insured** is entitled to for the **Named Insured's** premium and the **Named Insured's** claim, each time the **Named Insured** makes a claim. If the **Named Insured** does not give the **Insurer** this information or if the **Named Insured** tells the **Insurer** an incorrect ITC, the **Insurer** will not pay any GST liability the **Named Insured** incur.

The **Insurer's** liability to the **Named Insured** will be calculated taking into account any ITC to which the **Named Insured** is entitled for any acquisition which is relevant to the claim, or to which it would have been entitled had the **Named Insured** made a relevant acquisition.

In respect of the **Named Insured's** policy, where the **Named Insured** is registered for GST purposes the **Named Insured** should calculate the insured amount having regard to the **Named Insured's** entitlement to ITCs. The **Named Insured** should, therefore, consider the net amount (after all ITCs) which is to be insured and determine an insured amount on a GST exclusive basis.

This outline of the effect of the GST on the **Named Insured's** policy is for general information only. The **Named Insured** should not rely on this information without first seeking expert advice on the application of the GST to the **Named Insured's** circumstances.

'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

3.8 Inspection and Audit

The **Insurer** shall be permitted but not obliged to inspect the **Insured's** property and operations at any reasonable time after giving reasonable notice in writing to the **Insured**. Neither the **Insurer's** right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the **Insured** or others, to determine or warrant that such property or operations are safe.

The **Insurer** may after giving reasonable notice in writing to the **Insured** examine and audit the **Insured's** books and records at any reasonable time during the **Period of Insurance** and extensions thereof and within six years after the final termination of this **Policy**, as far as they relate to the subject matter of this insurance.

3.9 Law and jurisdiction

Should any dispute arise concerning this **Policy**, the dispute will be determined in accordance with the law of the applicable State or Territory of Australia. In relation to any such dispute the parties agree to submit to the jurisdiction of any competent court in a State or Territory of Australia.

3.10 Material facts

The **Named Insured** must notify the **Insurer** as soon as reasonably practicable of any change to the **Insured's Business** that would change the nature of the risk covered by this **Policy**. These changes include, but are not limited to:

1. a change to the nature of the activities carried out by the **Insured's Business**;
2. the **Insured** changing the locations from which it conducts the **Business**;
3. the **Insured** building a new manufacturing facility;
4. the **Insured** commencing the manufacture, sale, supply or import of a new **Product**;

5. the **Insured** commencing the export of a **Product** to a country to which the **Product** has not previously been exported;
6. the **Named Insured** being acquired by another entity; and
7. the **Insured** losing or having conditions imposed upon any licence or authority required by the **Insured** to operate their **Business**.

Following notification of the change to the **Insured's Business**, the **Insurer** will advise the **Named Insured** as to whether it is willing to provide additional cover or continue offering cover, and if so, on what terms (for example, any endorsements or additional excess) and for what additional **Premium** (if any). This will be based on the **Insurer's** risk appetite and underwriting guidelines.

If the change to the **Insured's Business** means that the risk is no longer acceptable under the **Insurer's** risk appetite or underwriting guidelines, the **Insurer** may cancel the **Policy**.

Any offer by the **Insurer** to cover the changes to the **Insured's Business** is not effective until the **Insurer** receives the **Named Insured's** written acceptance of the **Insurer's** offer. Until that time, the changes to the **Insured's Business** are not covered.

The **Named Insured** is entitled to cancel the **Policy** at any time, including where the **Insurer** does not offer to cover the changes to the **Insured's Business**, or the **Named Insured** does not accept the **Insurer's** offer to cover the changes to the **Insured's Business**.

If a **Claim** arises from the changes to the **Insured's Business** which are not yet covered or the **Insurer** does not agree to provide cover, the **Insurer** may reduce or refuse to pay such **Claim** to the extent it arises from the change in risk.

Where the **Insured** notifies the **Insurer** or fails to notify the **Insurer** of a change in the **Insured's** circumstances in accordance with this clause, in accordance with the Insurance Contracts Act 1984 (Cth), the **Insurer** may:

- (a) refuse to pay a claim, but only to the extent that such change in circumstances or failure to notify the **Insurer** caused or contributed to the loss which gives rise to the claim; or
- (b) reduce the payment of a claim, but only by an amount that fairly represents the extent to which the **Insurer's** interests are prejudiced by the change in circumstances or failure to notify the **Insurer**.

It may also lead the **Insurer** to cancel the **Policy**.

3.11 Reasonable care

The **Insured** shall take all reasonable measures and care to:

1. maintain premises and plant in reasonable condition having regard to the standards of a prudent operator of a business of the nature of the **Insured's Business**;
2. ensure all employees have appropriate training applicable to their roles;
3. comply with all applicable statutory obligations, by-laws or regulations imposed by any public authority for the safety of persons or property;
4. prevent **Personal Injury** and/or **Damage to Property** and/or **Advertising Injury** and/or any other loss, damage or expense; and
5. prevent the manufacture, sale or supply of defective **Products**.

3.12 Subrogation rights

In the event of any payment under this **Policy**, the **Insurer** will be subrogated to all the **Insured's** rights of recovery against any person or organisation and the **Insured** shall take reasonable steps to execute and deliver any appropriate instruments and papers and do whatever else is necessary to secure such rights. Any amount so recovered shall be applied in accordance with the provisions of section 67 of the Insurance Contracts Act 1984 (Cth).

The **Insurer** agrees to waive all rights of subrogation under this **Policy** against each of the parties described as an **Insured**. However, where an **Insured** is protected from liability insured under this **Policy** by any other policy of insurance or indemnity our subrogation right is not waived to the extent and up to the amount of cover provided by such other policy of insurance or indemnity.

3.13 Endorsements

An endorsement does not affect or increase the **Limit of Liability** or any other term of this **Policy**, except to the extent specifically provided in the endorsement. For the avoidance of doubt, each endorsement is otherwise subject to the all the terms, conditions, exclusions, definitions and **Limits of Liability** of this **Policy**.

3.14 Payment of premium

The **Named Insured** must pay the **Premium** specified in the **Schedule** for the **Period of Insurance** to the **Insurer** by the due date. If the **Named Insured** does not pay the **Premium** by the due date, the **Insurer** is entitled to cancel this **Policy** in accordance with the Insurance Contracts Act 1984 (Cth).

3.15 Other insurance

In the event of any claim being made under this **Policy**, the **Insured** must notify and give details of to the **Insurer** of any other insurance policy or policies insuring the same risk insured under this **Policy**.

Notices

These notices do not form part of the policy.

1. Your duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- ▼ reduces the risk we insure you for; or
- ▼ is common knowledge; or
- ▼ we know or should know as an insurer; or
- ▼ we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

2. Claims made and notified basis of coverage and retroactive date

'Extension 2 – Product errors or omissions coverage' is issued on a 'claims made and notified' basis. This means that this extension covers claims:

- (a) first made against you during the period of insurance; and
- (b) that you tell us about during the period of insurance.

Pursuant to section 54 of the Insurance Contracts Act 1984 (Cth), if you tell us about claims first made against you during the period of insurance after the period of insurance expires, we may be able to reduce our liability by an amount that fairly represents the extent to which our interests were prejudiced as a result of your delay in notifying us of the claim.

Written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984 (Cth): If during the policy period, you learn about facts that might lead to a claim and you tell us in writing about these facts as soon as reasonably practicable after you become aware of the facts but before the end of the period of insurance, we will treat any subsequent claim arising from those facts as though it was made against you during the period of insurance.

The policy doesn't cover claims or potential claims that you knew about prior to the policy period which would have put a reasonable person in your position on notice that a claim may be made against you.

If a retroactive date is applied or shown on the policy schedule, the policy doesn't cover claims resulting from an act or failure to do something before that date.

3. Average provision

If the limit of liability available under your policy is not enough to cover the full amount of a claim, the total amount payable by the insurer for 'Defence costs and supplementary payments' will be reduced by an equal proportion as the limit of liability bears to the amount paid to dispose of the claim. For example, if the limit of liability is \$10,000,000, the total claim is \$12,500,000 and 'Defence costs and supplementary payments' are \$100,000, then the insurer is only liable to pay \$80,000 for 'Defence costs and supplementary payments'.

4. Privacy statement

Headings

Headings have been included for ease of reference and it is understood and agreed that the terms, conditions and exclusions of the Policy are not to be construed or interpreted by reference to such headings.

Notice of Claim

The Claimant must give Us written notice of any occurrence which is likely to give rise to a claim within thirty (30) days or as soon as is reasonably practicable after the date of the occurrence. A Claimant's failure to furnish Us with notice within the time provided in the Policy will not invalidate any claim but We may reduce Our liability under the Policy to the extent to which We have suffered any prejudice due to such failure. The Claimant must at their expense give Us such certificates, information and other documentation as We may reasonably require and which are within the Claimant's power to provide. We may at Our own expense have any Claimant, who is the subject of a claim under the Policy, medically examined from time to time (so long as the frequency is not unreasonable in the circumstances).

Other Insurance

In the event of a claim, the Policyholder or a Covered Person must advise Us as to any other insurance they are entitled to claim under or have access to that covers the same risk.

Proper Law

Any dispute arising under the Policy or concerning its formation shall be governed by the laws of the appropriate state or territory of the Commonwealth of Australia. Each party agrees to submit to the jurisdiction of any court of competent jurisdiction within the said state or territory and to comply with all requirements necessary to give such court jurisdiction. All matters arising under the policy shall be determined in accordance with the law and the practice of such court.

Sanctions Clause

This insurance does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit us from providing insurance, including, but not limited to, the payment of claims. All other terms and conditions of the policy remain unchanged.

Chubb is a subsidiary of a US company and Chubb Limited, a NYSE listed company. Consequently, Chubb is subject to certain US laws and regulations [in addition to EU, UN and national sanctions restrictions] which may prohibit it from providing cover or paying claims to certain individuals or entities or insuring certain types of activities related to certain countries such as but not limited to Iran, Syria, North Korea, North Sudan, Crimea and Cuba.

Singular/Plural

If it is consistent with the context of any clause in this Policy, the singular includes the plural and vice versa.

Subrogation

If We pay an amount under the Policy, We shall be subrogated to the Claimant's rights to recover an equivalent sum to what we have paid against any person or entity other than the Policyholder, Covered Person

or other persons covered by this Policy and a Claimant must execute and deliver any instruments and papers and do whatever else is reasonably necessary and within their power to enable Us to secure such rights. A Claimant must not take action which will prejudice Our rights to subrogation.

We will not be liable for a loss where the Claimant is a party to an agreement that excludes or limits Our rights to recover damages from a third party in respect of that loss, whenever that agreement was made, i.e. before or after the loss occurred. The effect of this provision is that the Claimant may prejudice the Claimant's rights with regard to a claim if the Claimant makes or has made any agreement with a third party that will prevent Us from recovering the loss the subject of the claim from that party or another party.
