Important information

Direct debits and other regular payments will not be transferred automatically by Australian Unity over to your new credit card. You should either cancel them or have them redirected to your new credit card. You will need to arrange this with the merchant directly before the next scheduled payment.

The new credit card will be sent in the mail together with instructions on how to activate it. Your PIN will be sent separately.

Consent for electronic delivery of periodic statements and notices

I understand that:

- You will not post me periodic statements if I have registered for Internet Banking. These will be available electronically within my secure internet banking login.
- If I choose not to register for internet banking, I may be charged for printed periodic statements.
- You may send me notices about my banking and loan accounts to the email address I have provided.
- I can revert to periodic statements and notices via post, by submitting a written request to Australian Unity. Charges may apply for requests to receive periodic statements via post.

I agree to receive electronic statements and notices.

This information is collected and retained by Australian Unity in accordance with our Privacy & Credit Reporting Policy. Details available on australianunity.com.au.

Step 3 Declaration

1. I request and authorise Australian Unity to issue the new credit card nominated in Section 2 to me and to any current Additional Cardholder(s) to operate my account. I understand that any existing card(s) will only be valid for 14 days from the date this request is processed and that any new credit card(s) will need to be activated when received.
2. I request Australian Unity to transfer any outstanding balance of my credit card account which is related to existing card(s) as at the date of the transfer (and any other transactions effected by me or any Additional Cardholder with existing credit cards which have not been processed as at the date of transfer) to my new credit card.
3. I agree to pay the fees which are applicable to the credit card to which I have asked to be switched. Fees and charges are available at australianunity.com.au.
