## Excess

In exchange for a lower premium, an excess is a set amount you agree to pay towards the hospital accommodation costs if you or a family member is admitted to hospital.

<b>Excess</b>	<b>\$500 or \$750</b>  You will only pay an excess for the first hospital admission per person per calendar year. Plus you won't pay an excess if your dependant is admitted to hospital.

## Additional benefits

<b>Accident Cover</b>	If you need hospital treatment for an injury sustained during an Accident that occurred after joining this cover, and the hospital treatment is within a Clinical Category that is listed as Restricted or Not Covered, that hospital treatment will be treated as Covered.
<b>Gap Cover</b>	If your doctor or specialist agrees to participate in Australian Unity's Gap Cover scheme for your procedure, we can pay for some, if not all, of the gap between the Medicare Benefits Schedule (MBS) fee and the amount charged for medical services in-hospital. To find a participating doctor, visit <a href="https://australianunity.com.au/gap-cover">australianunity.com.au/gap-cover</a>  If Gap Cover won't fully cover your participating doctor's fees, your doctor must tell you how much you'll have to pay in writing before treatment can begin. This is called Informed Financial Consent.
<b>Ambulance</b>	<b>Unlimited Emergency Ambulance transportation to hospital</b> provided that the transport is coded and invoiced as emergency transport by a recognised State Ambulance authority.  <b>Two ambulance attendances per person per calendar year, where you are not taken to hospital.</b>  Benefits are not payable if ambulance service is already covered by a State-based scheme or your ambulance subscription.

## Out-of-pocket costs

If you are admitted to hospital (including for Covered treatments) you may have out-of-pocket costs, some of which have been detailed below. If you want more specific information about what you can expect these costs to be, we recommend you obtain a quote from your doctors/hospital before undergoing treatment. Then contact us for details of benefits before proceeding with your treatment. Additionally, benefits are not payable for claims where you have the right to claim compensation, damages or benefits from another source (e.g. TAC or WorkCover), now or at a later date.

## Hospital Accommodation

### General

Hospital covers do not pay any benefits towards the cost of non-admitted hospital visits, attendance at a doctor's room or administration fees when you attend an Emergency Department. You will be out-of-pocket for all of these costs.

### Non-agreement Private Hospital/private room in a Public Hospital

If you are admitted to a non-agreement Private Hospital, or to a private room of a Public Hospital, then the amount we pay is a set rate and may not cover the full cost of your stay which means you may incur large out-of-pocket costs.

### Shared room of a Public Hospital

If you are admitted as a private patient in a shared room of a Public Hospital, then the amount we pay is the minimum (default) benefit for the accommodation set by the Australian Government. If the hospital charges more than the minimum (default) benefit, you will incur out-of-pocket costs.

Find an agreement Private Hospital: [australianunity.com.au/agreementhospitals](http://australianunity.com.au/agreementhospitals)

## Medical Bills

The Australian Government sets a schedule of fees for all medical treatments called the Medicare Benefits Schedule (MBS). When you're treated as a private patient in a Public or Private Hospital, Medicare pays 75% of the MBS fee and Australian Unity pays the remaining 25%. If your doctor or specialist charges more than the MBS fee, then this will result in an out-of-pocket expense better known as 'the gap'.

## Planning a family

There's no happier time than starting or growing your family, and we want to ensure your new addition is covered straight away on your policy without having to serve waiting periods. It's important to contact us in a timely manner as you may not be able to backdate this request. More details on managing your membership and the requirements to add a child can be found in the Member Guide, at [australianunity.com.au/importantdocuments](http://australianunity.com.au/importantdocuments)

## Recognised Providers

We only pay benefits when you see a recognised provider in a private practice. Please contact us to check if your provider is recognised by us.

## Waiting Periods

In addition to those listed above, the following waiting periods apply:

- **2 months:** Psychiatric, Rehabilitation and Palliative Care
- **12 months:** Health Support Programs
- **12 months:** all pre-existing conditions except Psychiatric, Rehabilitation and Palliative Care
- **No waiting period** for Ambulance, or hospital treatment required for an injury sustained during an Accident that occurs after joining this cover
- **2 months:** all other hospital treatments included on your cover

Health Support Programs and some Preventative Health Services require 12 months membership with an eligible Australian Unity cover. For more information, please contact us or visit [australianunity.com.au/wellnessbenefits](http://australianunity.com.au/wellnessbenefits)

You cannot receive benefits for any items or services you may have received while you are serving a relevant waiting period. However, if you've already served your waiting periods on an equivalent or higher level of cover with any registered Australian health fund and join within 30 days of leaving that fund, you will not have to re-serve your waiting periods. Otherwise, waiting periods will apply from the date you re-join. If you've upgraded your cover, your waiting periods for the higher benefits will start on the date you upgrade, but you can still claim an equivalent benefit to your previous level of cover during that period.

## Pre-existing conditions

A pre-existing condition is an ailment, illness or condition that in the opinion of a medical practitioner appointed by Australian Unity (not your own doctor), the signs or symptoms of that ailment, illness or condition existed at any time in the period of six months ending on the day on which you joined Australian Unity or upgraded your cover, irrespective of whether you were aware of it. If you make a hospital claim in the first 12 months of your joining or upgrading your cover, we will ask you to get your consulting doctors or other practitioner (e.g. your dentist, GP or specialist) to complete a medical report. You should ask us to carry out this assessment before going into hospital.

## Accidents

Accident means an unplanned and unforeseen event, occurring by chance, and leading to bodily injuries caused solely and directly by an external force or object requiring treatment from a Medical Practitioner (defined here as a medical doctor who is not the member or a relative of the Member) within 7 days of the event, but excludes injuries arising out of: surgical procedures; unforeseen illness; pregnancy; drug use; and aggravation of an underlying condition or injury.

## Restricted Services

Restricted services are hospital claims which are limited to a minimum (default) benefit. This is the minimum dollar amount set by the Australian Government for accommodation as a private patient in a shared room of a Public Hospital. A Restricted service does not pay any money towards the cost of intensive care, coronary care, labour ward or theatre fees in a Private Hospital or private day centre. You may incur a large out-of-pocket expense.

## Surgical Implants (Prosthesis)

If a treatment is Covered (or Restricted) under your hospital cover, you are also covered for any Australian Government approved surgical prosthesis on the Australian Government Prosthesis List. We will pay up to the benefit of the prosthesis set out in the Australian Government Prosthesis List at the date of service, so you shouldn't have any out-of-pocket expenses. If the prosthesis is not in the List, you'll have to pay any cost charged by the hospital, but the hospital or doctor needs to provide you with Informed Financial Consent first.

## Changes to your cover

We may at any time make changes to your cover. This may include adding or reducing the benefits or services available to you. We will ensure that we provide you with appropriate notice of these changes in accordance with the Private Health Insurance Act 2007, the Australian Consumer Law and the Private Health Insurance Code of Conduct.
