

Student Dependant Registration

Is your child over 23 and no longer eligible to be a student dependant?

Once your children turn 23 and are no longer studying, they are unable to remain on your family cover.

To avoid re-serving waiting periods and still enjoy all the benefits health cover offers, your children should take out health cover before turning 23 or before they end their studies.

If your children take out a health cover with us and pay for their first 30 days of cover, they'll receive the next 30 days free of charge*. As a thank you for your continued support, you'll also receive a \$100 Universal Gift Card†.

To find out more, please call 13 29 39. Alternatively, you can register your child online by visiting australianunity.com.au/student and filling out the student dependant details.

You can also find out more information about the health cover options available to your children by filling out and sending section 4 of the attached registration form.

Student Dependant Registration

If your children qualify as student dependants, they can remain on your health cover until 25.

Good news!

Once your children turn 23, they can remain on your existing cover as student dependants until they turn 25, at no extra cost.

To qualify as student dependants, your children must be pursuing an approved, full-time course of study or undertaking an apprenticeship, and can't be married or in a de-facto relationship.

To register your child as a student dependant, simply complete and return the attached Student Dependant Registration Form.

Please note once registered, you need to re-register each year until your child's 25th birthday or until he or she no longer qualifies. We'll send you all the information you need to re-register in March of every year, until your child is no longer eligible.

*The 30 days free offer is only available when joining within 30 days of cover being cancelled under the parent's membership. Waiting periods, benefit exclusions and restrictions apply if upgrading to a higher level of cover.

† Excludes extras only and specially negotiated corporate health plans. The '30 day's bonus cover' offer also excludes Budget Hospital and Overseas Visitors Cover. Not available in conjunction with any other offer.

2 Student details

Complete

Please register my child, whose date of birth and educational details are provided in the table below, as an eligible student dependant under my family health cover membership with Australian Unity.

Full name of dependants	Sex	Date of birth	Educational institution	Student number	Commencement date	Estimated completion date

3 Member declaration

Sign

I declare the information on this application to be true and correct and that my dependant is unmarried and not in a defacto relationship, under the age of 25 and pursuing an approved full-time course of study. I understand that this registration applies for the current calendar year and that if the above conditions no longer apply at any time during this year, registration ceases from that date and I will notify Australian Unity Health Limited immediately of any change.
