Designed with the flexibility you desire

The original modern design of The Nicholson features two bedrooms and a beautiful open-plan living space. Stylish stone benchtops and Miele appliances mean the kitchen has everything you need for a snack or three course meal. Expansive windows open your home to views of the city or Carlton and a private balcony further extends the generous living space; something seldom found in many apartments in this area and price range. **\$\$\$**; Please phone Toby on 0409 616 613 to arrange an inspection.
