RSP Automatic Increase Facility (optional)

If you wish to set up a RSP Automatic Increase Facility, please **X** this box:

By ticking this box, I/we understand that my/our monthly RSP contribution will be automatically increased each policy anniversary year by 125% of my/our previous year's monthly RSP contribution.

- Each year, three months prior to your policy anniversary date, you will receive notification of the intended increase to your RSP contribution.
- You may cancel the RSP Automatic Increase Facility at anytime.

OR

If you already have a RSP Automatic Increase Facility in place and wish to cancel it, please **X** this box:

125% rule considerations:

- It is important to consider the 125% rule when making any additional contributions to your account. If your additional contributions exceed the 125% limit of your previous policy anniversary year's contributions, this will result in the resetting of your start date for the 10 year tax period of your account to the year in which the excess contribution is made.
- If no contributions are made in a policy year, any additional contribution made to your account in the subsequent policy anniversary year will be treated for tax purposes as exceeding the 125% limit and result in the re-commencement of the start date of the 10 year tax period.
- For more information on the 125% rule, please see the PDS (and any SPDS), speak to your financial/tax adviser or call Investor Services on 1800 002 217.
