#### **Investment objective**

To provide a high level of capital stability and competitive returns exceeding (or at least equal to) the UBSA Bank Bill Index by investing in a range of cash and short-term money market securities.

#### **Investment strategy**

The Fund predominantly invests in a range of high-quality short-term money market securities which may include term deposits, other bankbased securities and cash.

The Fund is authorised to utilise approved derivative instruments, subject to the specific restriction that derivative instruments cannot be used to gear portfolio exposure.

When used for investment purposes, no more than 50% of the Fund can be exposed to derivative instruments as determined by their market equivalent exposure.

- Excludes any applicable rebates. Total management costs include the annual management fee and estimated performance fees. When
  money moves in or out of a WealthBuilder investment option (or Fund), you may incur transaction costs (buy/sell spreads) which are included
  in the entry and exit price of the applicable Fund you choose. Fund expense recoveries (if applicable) will be charged in addition to total
  management costs. Investor advice fees may apply depending on what arrangement investors have negotiated with their financial adviser.
  Please refer to the latest PDS or <u>australianunity.com.au/aulbl-wealthbuilder</u> for further information on fees and costs.
- 2. Performance is net of management costs, expenses and tax. Performance is based on exit price to exit price for the period. Management costs, tax and other expenses are accounted for in the exit price. Past performance is not a reliable indicator of future performance. Please refer to australianunity.com.au/aulbl-wealthbuilder for updated performance information. Performance data is provided by FE fundinfo (FE fundinfo (Australia) PTY Limited, ABN 18 601 868 311).
