

Lifeplan Flexishield Investment Bond

Announcement – 17 June 2013

Update to investment ranges

Please note the investment ranges of the Flexishield Investment Bond (Bond) have been updated to reflect the authorised asset allocations set out in the Benefit Fund Rules:

Asset Class	Range %
Cash and short term securities	0 - 100
Australian fixed interest	0 - 100
Mortgages	0 - 80
Mortgage backed securities	0 - 20

Please note that portfolio investments depend on the availability of quality assets at the time that funds are available for investment, and asset allocation decisions made by the investment manager.

Previously, the authorised asset allocations of the Bond were:

Asset Class	Range %
Mortgages / Loan Backs	40 - 80
Fixed interest assets and money market instruments	20 - 60
