## Lifeplan Tax Minimiser Investment Bond

### Changes to Investing Transaction Costs

Effective from 9 February 2016 the Investing Transaction Costs for the below investment funds have changed as follows:

| Fund Name                       | Old Investing Transaction Cost (%) | New Investing Transaction Cost (%) | New Example in \$ for a \$10,000 investment or switch <sup>1</sup> |
|---------------------------------|------------------------------------|------------------------------------|--|
| Multi-manager Funds             |                                    |                                    |  |
| Multi-Manager Global Share Fund | 0.50                               | 0.40                               | \$40   |
| Single-manager Funds            |                                    |                                    |  |
| Global Share Fund               | 0.50                               | 0.40                               | \$40   |
| High Growth Fund                | 0.60                               | 0.50                               | \$50   |

<sup>1</sup> The dollar example shown assumes you invest or switch \$10,000 into a fund.
