9 February 2021

Correction to the Funeral Plan Pre-Paid application form

We have identified an error in the FuneralPlan Pre-paid Product Disclosure Statement (PDS) application form which requires correction. On page 31 of the application form we incorrectly noted the PDS issue date as 21 December 2021. The correct PDS issue date is 21 December 2020.

The incorrect date has now been corrected on our website and printed materials.
