### Changes to fees and costs

To assist you in making an informed investment choice based on current information about fees in each of the investment options, this Fees and Costs Update sets out changes that have been made to the fees disclosed in the PDS.

### Investing Transaction Costs (ITC) update

Due to the recent sustained volatility in the financial markets and the World Health Organisation having declared that COVID-19 (Coronavirus) is a pandemic, we are seeing large movements in Investing Transaction Costs (ITC), otherwise known as buy/sell spreads.

The ITC is not charged or retained by Lifeplan. The ITC (equivalent to a buy/sell spread) is charged by the fund manager of each investment option to ensure that each investor shares the transaction costs associated with their investment decision to either enter or exit an investment option.

We are regularly monitoring these underlying fund managers' ITCs and we will update you of any changes via our website [australianunity.com.au/wealth](http://australianunity.com.au/wealth)
