

Lifepan Investment Bond (LIB) fund option changes

As part of managing our investments, we regularly review options to ensure optimal results for our investors. As a result, we've updated the investment options within the Lifepan Investment Bond. There are four key changes:

1. New funds have been added to the LIB investment option menu effective 5 November 2020
2. Some existing funds have been closed to new investors with effect from 5 November 2020
3. Some existing funds will no longer be available from 11 December 2020
4. The LIB application form is now a separate document to the [Product Disclosure Statement](#) (PDS) and is included as an Appendix in the PDS
