Opening Date: 31 October 2017

Withdrawing from the Fund

Australian Unity Property Limited ABN 58 079 538 499 AFSL 234455 (AUPL) is the Responsible Entity of the Australian Unity Diversified Property Fund (Fund).

We are offering Ordinary Unit investors in the Fund the opportunity to make a withdrawal request from their investment within the terms of the offer set out in this Withdrawal Offer.

Your options:

1. Retain your existing investment. For the latest information regarding the Fund, please visit australianunity.com.au/wealth/dpf.

If you choose to retain your investment, you do not need to do anything at all.

or

2. Lodge a request to withdraw part or all of your investment.

If you wish to withdraw your investment, please read the following information carefully.

About this Withdrawal Offer

The Withdrawal Offer will be open from 31 October 2017 (Opening Date), and will close at 3:00 pm (Australian Eastern Standard Time) on 20 November 2017 (Closing Date) or at a later date if the Withdrawal Offer is extended. Withdrawal requests received after the Closing Date will not be accepted unless the date is extended.

We have the right, however, to cancel the Withdrawal Offer at any time before the Closing Date. The amount made available to meet all withdrawal requests will be funded through cash resources available to the Fund.

The amount made available for the Withdrawal Offer is forecast to be \$4.50 million which is approximately 2.5% of the Fund's forecast net assets calculated on 31 October 2017. However, we may change the amount of the Withdrawal Offer should we consider it to be appropriate.

If the total amount of withdrawal requests from the Fund exceeds the amount available, requests will be met on a pro rata basis. Effectively this means that we will calculate the percentage of the amount available to the total withdrawal requests received, and then apply this to each individual investor request.

The price applied in meeting the withdrawal requests will be the withdrawal unit price effective for 20 November 2017. To check the current unit price, please contact our Investor Services team on 13 29 39 or access the information online at australianunity.com.au/wealth/dpf.

Important information

If you wish to withdraw some, or all, of your investment please note the following points.

- You can only lodge a withdrawal request after the Opening Date and it must be received no later than 3.00 pm (Australian Eastern Standard Time) on the Closing Date.
- Your request will only be processed if we receive a completed Withdrawal Request Form, which is included in this booklet.
- If we receive a completed Withdrawal Request Form after the Closing Date, we are not bound to process the request.
- Do not submit a Withdrawal Request Form unless you are absolutely certain you wish to withdraw your investment, as the request will not be able to be withdrawn once accepted.
- We may not be able to redeem the full amount of units you request.
- The amount will only be paid via direct credit to your nominated Australian financial institution account within 21 days of the Closing Date. **Cheque payments and third party deposits are not available.**
- Where you have specified a withdrawal amount in dollars instead of in number of units, we will determine the value of the units you have requested to withdraw by dividing the amount in dollars by the withdrawal price and rounding down to four decimal places.
- We recommend that you obtain professional tax advice before making a decision to withdraw. When you fully or partially withdraw your investment in the Fund, you are treated as having disposed of your investment. As a result, any net gain derived on disposal may be included in your assessable income. An investor holding their investment on capital account will make a capital gain (or capital loss) to the extent that the capital proceeds attributable to the disposal exceed (or are less than) the investor's cost base (or reduced cost base). In determining the cost base or reduced cost base of your investment in the Fund, an investor will need to take into account any returns of capital and tax deferred distributions

received in respect of your investment, as these amounts may have the effect of increasing your capital gain or decreasing your capital loss. Amounts that represent the capital gains tax concession amount will have no impact on the cost base of the investment in the Fund.
