## Australian Unity Healthcare Property Trust – ARSN 092 755 318

### Sale of units in Generation Healthcare REIT (ASX : GHC)

The Trust has accepted an all-cash, unconditional off-market takeover bid to acquire its units in GHC for \$2.30 per GHC unit. The proceeds of the sale are expected to be primarily used to reduce borrowings in the short term, and are expected to be re-deployed towards funding of the Trust's existing acquisition and development pipeline over the medium term.

Prior to the sale of its GHC units, the Trust was a substantial holder of GHC, holding approximately 10.14% of the GHC units on issue. Between 31 January 2008 and 28 February 2017, the Trust acquired 24,452,367 units in GHC via on-market acquisition and additional investment via rights issues and reinvestment of distributions. The average acquisition price per unit for these investments was \$1.63.

We are pleased to advise that the sale of the Trust's holdings in GHC at the Offer Price resulted in an Internal Rate of Return of **14.6% p.a. (pre-tax)** over the holding period of the investment.
