3. Application of Conditions of Use

These Conditions of Use apply to the Verified by Visa service and the Verified by Visa transactions conducted on your Account.

In addition to these Conditions of Use, all other terms and conditions that apply to your Visa card and Account (‘Terms of Use’) still apply.

If there is any inconsistency between these Conditions of Use and your Terms of Use, your Account Terms of Use will apply to the extent of the inconsistency.

4. Guidelines for Maintaining Security of Your Visa Card

Never lend your Visa card to anyone.

Use care to prevent anyone seeing the Visa card details being entered at the time of authentication.

Immediately report unauthorised use of your Visa card to us.

You should examine periodical statements of your account immediately upon receiving them to identify and report, as soon as possible, any instances where the Visa card has been used without your authority.

5. Using the Verified by Visa Service

You may use Verified by Visa to make purchases online. However, the Verified by Visa Service will only be available in connection with participating online merchants.

When making an online purchase or other transaction for which Verified by Visa applies, you may be asked to provide certain information to us that allows us to validate your identity and verify that you are the cardholder of the specified Visa card. The information that you provide may be validated against information we hold about you and may be validated against information held by third parties.

If you are unable to provide the requested information to validate your identity, or if the information you provide is inaccurate or incomplete, or if the authentication process otherwise fails, the merchant may not accept your Visa card or payment for that transaction and you may be unable to complete an online transaction using your Visa card.

In order to use Verified by Visa, you must have the equipment and software necessary to make a connection to the Internet.

In the event you have a question regarding the authentication process or a transaction using your Visa card, you should contact us.

6. Additional Cardholders

Subject to the account terms and conditions, you will be liable for all transactions conducted on your account which are undertaken by an additional cardholder.

Additional cardholders may use the Verified by Visa service, but may be required to

confirm their identity using the primary account holders' details.

We may also change any aspect or functionality of the Verified by Visa service at any time without giving you prior notice.

9. Participating Online Merchants

You will know that an online merchant is a participating online merchant because you will see the Verified by Visa logo and you may be asked to verify your identity before completing an online transaction with that merchant.

We do not endorse or recommend in any way any participating online merchant.

Your correspondence or business dealings with, or participation in promotions of, online stores through Verified by Visa, including payment for and delivery of related goods or services not purchased via Verified by Visa, and any other terms, conditions, warranties or representations associated with such dealings, are solely between you and the online store. - Your use of or access to (or inability to use or access) the Verified by Visa services; or
