Enhancements to the Australian Unity Diversified Property Fund – Ordinary Units (Fund)

We are pleased to announce a number of enhancements we have made to the Fund.

Improvements to withdrawal provisions

We have introduced a Capped Withdrawal Facility that aims to provide investors with regular access to their investment. Refer to the summary of the changes below, and to the Fund’s replacement Product Disclosure Statement (PDS) dated 6 February 2018 for further information.

Capped Withdrawal Facility

Australian Unity Property Limited as the Responsible Entity intends to provide a Capped Withdrawal Facility limited to 2.5% of the Fund’s net asset value as at the end of each Capped Withdrawal Facility closing date (Capped Withdrawal Facility). In normal operating conditions, the Capped Withdrawal Facility will be made available quarterly (or more or less frequently at our discretion).

The Responsible Entity, however, has the discretion to alter the Capped Withdrawal Facility amount or cancel the Capped Withdrawal Facility without notice. If the amount available for the Capped Withdrawal Facility is less than the total amount of withdrawal requests, investors will receive a pro-rata amount of their withdrawal request.

The first Capped Withdrawal Facility will open on 22 February 2018 and close at 3:00pm Melbourne time on 21 May 2018.

Investors can make a withdrawal request by completing the Capped Withdrawal Facility Booklet available on 22 February 2018 from our website australianunity.com.au/wealth/dpf.

Carry forward facility

Investors can elect to use the Fund’s ‘carry forward facility’ under which any unfulfilled part of a pro-rated withdrawal request will be automatically carried forward to the next Capped Withdrawal Facility and treated as a new withdrawal request for the unfulfilled amount.

For more information about the Capped Withdrawal Facility and the carry forward facility, refer to the Fund’s PDS and the Capped Quarterly Withdrawal Facility booklet available on 22 February 2018 from our website australianunity.com.au/wealth/dpf. Alternatively, you can call us on 13 29 39 and we will send you the requested information free of charge.

Daily unit pricing

The frequency of the calculation of the Fund’s unit price has increased to each business day and will be published on our website.
