By using our service, you are taken to have agreed and understood that neither we nor any part of the Australian Unity Group accept any responsibility or liability for any payment or action we make based on any instruction (even if not genuine) that we receive by email bearing your account number, a signature which is apparently yours, or that of an authorised signatory on your account. This means that you cannot make a claim for such a thing as a fraudulent email redemption request made by someone who has access to your investor code and a copy of your signature. You use the service entirely at your own risk.

## 2. Direct Debit Request ('DDR') Service Agreement

### Our commitment to you

- Where you request a one off debit, the payment will be drawn from your nominated account on the date we accept your application.
- For regular debits, payment will normally start to be drawn from your nominated account from the 15th day of the month following the date we receive your application (e.g. for an application received on 1 March, the first deduction will occur on 15 March).
- Where the due date for a drawing falls on a non-business day, it will be drawn from your account on the next business day.
- We will provide you with at least 14 days notice when we intend to make changes to the initial terms of the arrangement.
- We will terminate your direct debit arrangement if two consecutive

payments are dishonoured or if you close your account.

- We will keep the details of your nominated account and Australian financial institution private and confidential.
- We will investigate and deal promptly with any queries, claims or complaints regarding debits.

### Your commitment to us

- It is your responsibility to check with your nominated Australian financial institution to confirm that direct debits are available on your account.
- It is your responsibility to ensure that the authorisation at Section 5 'Direct debit request for investments to your account' of the Application Form matches the signing instructions on your nominated Australian financial institution account.
- It is your responsibility to ensure that there are sufficient cleared funds in the nominated Australian financial institution account on the drawing date.
- It is your responsibility to cover any charges resulting from the use of the direct debit program. This may include transaction fees charged by us or your nominated Australian financial institution due to dishonoured drawings.

### Changes to the arrangement

If you want to make changes to the drawing arrangements, please notify us in writing at least five business days prior to your next scheduled drawing date. These changes may include:

- deferring the drawing;
- altering the schedule;
- stopping an individual debit;
- suspending the DDR; or
- cancelling the DDR completely.

### Enquiries

If you have any enquiries, they should be directed to us, rather than to your nominated Australian financial institution.

All your personal information held by us will remain confidential, except for information that may be provided to our Australian financial institution to initiate the drawing to your nominated account, or information that may be disclosed to a third party as required by law. Information may also be provided to any entity within the Australian Unity Group to enable the DDR to be effected as required by law.

### Disputes

- If you believe that a drawing has been initiated incorrectly, you should raise the matter directly with us.
- If you do not receive a satisfactory response from us, then please follow up with your nominated Australian financial institution regarding your claim.
- You will receive a refund of the drawing amount if we cannot substantiate the reason for the drawing.

Note: Your nominated Australian financial institution will ask you to contact us initially to resolve your disputed drawing prior to involving them.

### 3. Anti-Money Laundering Laws and the Application Form

Australia's Anti-Money Laundering and Counter Terrorism Financing (AML/CTF) laws requires Australian Unity to adopt and maintain an AML/CTF program. To meet this legal requirement, we need to collect certain identification information and documentation (Know Your Client (KYC) Documents) from new investors. If you are applying through a financial adviser, your financial adviser will assist you in providing the necessary identification documents prior to lodging the application.

If you are submitting your application directly (without the assistance of a financial adviser), please refer to 'Applying for different types of investment accounts' on page 5 for the identification documents that should be provided with your application. Please note that your identification documents must be certified by an approved certifier.

Existing investors may also be asked to provide KYC Documents as part of a re-identification process to comply with the AML/CTF laws.

Processing of applications or withdrawals will be delayed or refused if investors do not provide the required KYC Documents when requested.

Under the AML/CTF laws, Australian Unity is required to submit regulatory reports to the Australian Transaction Reports and Analysis Centre (AUSTRAC). This may include the disclosure of your personal information. Australian Unity may not be able to tell you when this occurs. As a result, if instructed by AUSTRAC, Australian Unity may be required to deny you (on a temporary or permanent basis) access to your investment. This could result in loss of the capital invested, or you may experience significant delays when you wish to transact on your investment.

We are not liable for any loss you may suffer because of compliance with the AML/CTF laws.

#### Politically Exposed Persons

To comply with AML/CTF laws we require you to disclose whether you (or any of your beneficial owners) are, or have an association with, a Politically Exposed Person ('PEP'). A PEP is an individual who holds a prominent public position or function in a government body or an international organisation in Australia or overseas, such as a Head of State, or Head of a Country or Government, or a Government Minister, or equivalent senior politician. A PEP can also be an immediate family member of a person referred to above, including spouse, de facto partner, child, and a child's spouse or a parent. A close associate of a PEP, i.e. any individual who is known to have joint beneficial ownership of a legal arrangement or entity is also considered to be a PEP. Where you identify as, or have an association with, a PEP, we may request additional information from you.

#### Source of investable assets/wealth

Under AML/CTF laws, we are required to identify your source of investable assets/wealth.

#### Non-Individual Entities - Your Beneficial Owners

Your Beneficial Owner means an individual who ultimately 'controls' you (directly or indirectly) or owns you (directly or indirectly). 'Control' includes control (directly or indirectly) as a result of, or by means of trusts (including in the capacity as beneficiary, trustee or settlor), an agreement, an arrangement, an understanding or practice, and further includes the ability to exercise control over decisions about financial and operating policies. 'Owns' means ownership (either directly or indirectly) of 25% or more of you.

Under AML/CTF laws you are required to provide information about

your Beneficial Owners for certain account types including:

- Australian incorporated or created entities such as:
  - unlicensed proprietary limited companies, not subject to regulatory oversight (note: not applicable for complying superannuation fund investors); or
  - unregistered trusts, including family trusts.
- Entities incorporated or created outside of Australia such as:
  - companies;
  - partnerships;
  - trusts; or
  - estates.

These account types will be required to complete the 'Beneficial Owner Information' Form, which is available on our website [australianunity.com.au/wealth](http://australianunity.com.au/wealth) or by calling our Investor Services team on 13 29 39.

#### Automatic Exchange of Information ('AEOI') regime

AEOI is the exchange of financial account information between tax authorities in relevant countries. This requires financial institutions including Australian Unity, to collect tax residency information from their customers.

AEOI is currently made up of two information sharing frameworks:

- The Foreign Account Tax Compliance Act ('FATCA') which is a US framework to identify US citizens and tax residents with accounts in foreign (non-US) jurisdictions. This has been in place since 1 July 2014; and
- The Common Reporting Standard ('CRS') under which details of foreign tax resident accounts are shared between participating governments. Phased implementation of this regime commenced 1 January 2016 globally, and commenced in Australia from 1 July 2017.

#### Common Reporting Standard ('CRS')

CRS is a global standard for collecting, reporting and exchanging financial information on foreign tax residents, which was initiated by the Organisation for Economic Cooperation and Development ('OECD') to provide greater transparency and reduce offshore tax evasion in over 100 participating countries and jurisdictions.

In accordance with CRS, banks and other financial institutions in Australia are required to collect financial account information from their customers who are resident in countries other than Australia for tax purposes and provide financial information to the Australian Tax Office ('ATO') where it will be exchanged with other participating countries. These changes are a legislative requirement, therefore must be complied with.
