Step 1.4 Tax status

Tax Residency rules differ by country. Whether you are a tax resident of a particular country is often (but not always) based on the amount of time you spend in a country, the location of your residence or place of work. For the US, tax residency can be as a result of citizenship or residency.

If you have any questions on how to define your tax residency status, please visit the OECD website (oecd.org) or speak to a professional tax adviser as we are not allowed to give tax advice.

Answer **both** tax residency questions:

Are you a tax resident of Australia? Yes No

Are you a tax resident of another Country? Yes No

If you are a tax resident of a country other than Australia, provide your Tax Identification Number (TIN) or equivalent below. If you are a tax resident of more than one country, list all relevant countries below.

3	Country	<input type="text"/>	TIN	<input type="text"/>	If no TIN, list reason A, B, or C	<input type="text"/>

Reason A The country of tax residency does not issue TINs to tax residents

Reason B You have not been issued with a TIN.

Please explain why.

Reason C The country of tax residency does not require the TIN to be disclosed

If you are a tax resident of more countries, please cross this box re-print this page and provide the additional details.
